JOINT CIRCULAR NO. 2013-01

TO : CITY AND MUNICIPAL MAYORS AND OTHERS CONCERNED
SUBJECT : BUSOG, LUSOG, TALINO (BLT) SCHOOL FEEDING PROGRAM

In support of the Philippine Plan of Action for Nutrition (PPAN) as approved by National Nutrition Council Governing Board through NNC-GB Resolution No. 1, Series of 2012 and as adopted through Department of Interior and Local Government (DILG) Memorandum Circular No. 2012-89, the DILG, Department of Education (DepEd) and the Union of Local Authorities of the Philippines (ULAP) advocate the School Feeding Program (SFP).

SFP is being implemented mainly to improve nutritional status, improve attendance, and reduce dropout among schoolchildren. It is also one of the thrusts of public-private partnerships as many private companies find SFP as a direct intervention to help the needy school-children. Based on the DepED Nutritional Assessment report for SY 2012-2013, 14.24% or about 1.98 million schoolchildren are undernourished.

Jollibee Group Foundation (JGF) through the Busog, Lusog, Talino (BLT) School Feeding Program is committed to be an active partner of national and local governments in reducing the prevalence of undernutrition among school-aged learners by providing financial counterpart and guidance in implementing the program in identified BLT sites. The BLT School Feeding Program is anchored on the Millennium Development Goal in reducing hunger and subsequently decreasing drop-out rate of children in primary education.

In their continued commitment as advocate partners of the BLT Program, the DILG and ULAP have entered into a Memorandum of Agreement with Jollibee Group Foundation in December 2012. Meanwhile, DepEd has continued to be a core implementing partner since BLT Program's inception in 2007.

For JGF-identified LGUs in the BLT sites, a Memorandum of Agreement between each LGU and the Jollibee Group Foundation formalizes the BLT partnership.

Relative to and in further strengthening BLT Program's implementation in BLT sites, City and Municipal Mayors in BLT sites are encouraged to assist DepEd and JGF in implementing the SFP and specifically the BLT School Feeding Program through the following:

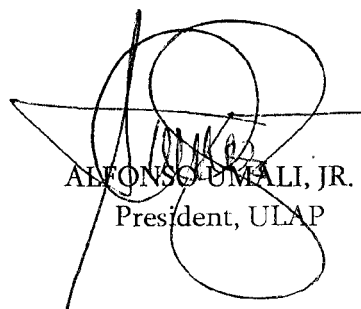

1. Integration of BLT in the Local Plan of Action for Nutrition;

2. Strengthening of the Local Nutrition Committee to champion school nutrition program;
3. Coordination with DepEd in organizing functional BLT school teams composed of the school principal, feeding coordinator, barangay health workers/barangay nutrition scholars (BHWs/BNS) and parents that will implement daily feeding activities;
4. Allocation of counterpart fund for BLT in the city or municipal annual budget. Estimated annual budgetary requirement for five (5) schools including program management costs for the first two (2) years of implementation is P330,000; and P340,000 annually for the 3rd year onwards;
5. Setting up an appropriate financial disbursement, monitoring and reporting system particular to BLT Program like cash advance or check issuance as means to disburse funding to schools and opening of LGU bank account specifically for BLT, subject to existing accounting and auditing rules and regulations;
6. Coordination with DepEd in establishing a system for proper generation, compilation, analysis and communication of BLT program results to include reliable data gathering procedures including availability of accurate weighing scale; accurate and updated data communicated to the general public (baseline and endline); and updated BLT report per school;
7. Deployment of personnel to monitor BLT implementation in coordination with DepEd:
 - BLT program coordinator to oversee and monitor program implementation at the school level (can be the Nutrition Action Officer, Health Officer or Social Welfare and Development Officer), and
 - Barangay Health Workers/Barangay Nutrition Scholars (BHWs/BNS) to assist in weighing and height taking of pupils and conducting parent seminars; and
8. Provision of complementary facilities and services such as: (a) feeding-related services, e.g., deworming, medical attention for severely undernourished pupils, access to safe water, access to sanitary toilet facilities, and support to Gulayan sa Paaralan (seeds, technical assistance), and (b) parent empowerment, e.g., implementation of Food Always in the Home, parent seminars (Pabasa sa Nutrisyon), and livelihood training for families of feeding beneficiaries.

Concerned DILG and DepEd Regional Directors and Field Officers are hereby directed to provide assistance to Local Implementing Partners to facilitate effective LGU action on BLT program implementation.

Attached is the list of the BLT Sites for School Year 2013-2014 and breakdown of LGU annual budgetary requirement for ready reference.
