**We need to do
something different from
the way we do things
before.**

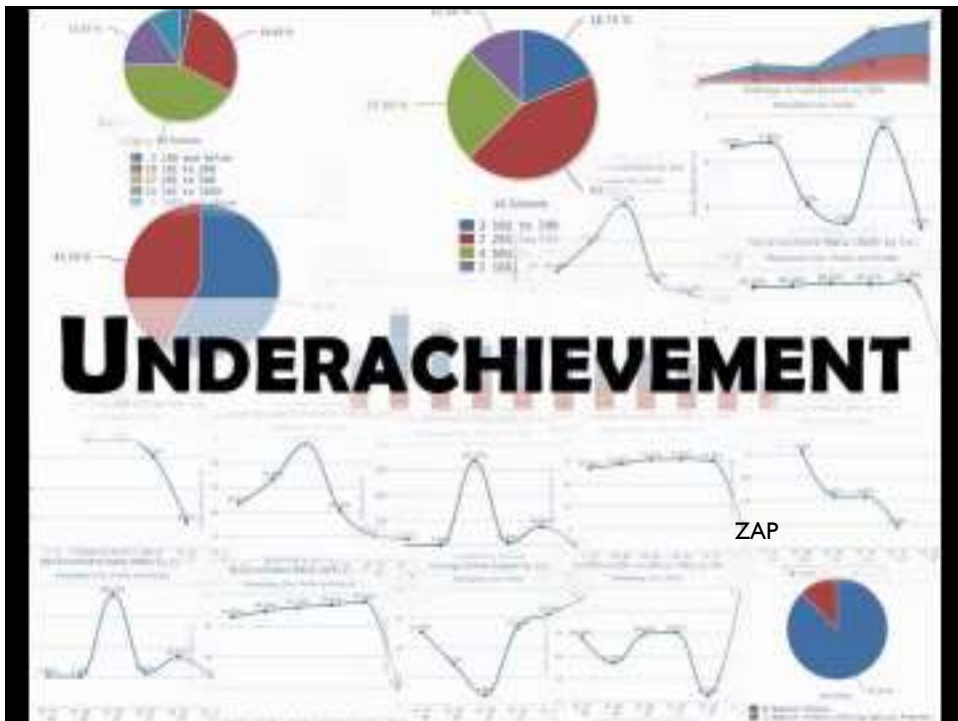

We need to innovate.

**We need to rationalize
our interventions.**

**We have started
implementing a project
aimed at arresting the
underachievement of
the Division of
Malaybalay City.**

The modest achievements that the **Division of Malaybalay City** has achieved lately is the result of that step taken to improve its performance.

THIS IS DUE TO THE INNOVATION IT HAS UNDERTAKEN....TO ARREST UNDERACHIEVEMENT.
