GRADUATE SCHOOL

October 2, 2014

MR. EDILBERTO OPLENARIA
 City Schools Division Superintendent
 Department of Education
 Malaybalay City Division
 Malaybalay City

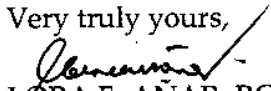

SIR:

The Guidance and Counseling (GC5a) Career Guidance Class of the Graduate School will be holding a seminar workshop entitled: "Capacity Building for Guidance Counselors and Career Guidance Advocates: Their Roles in Implementing Effective Career Guidance Program in Schools". This seminar workshop aims to: update participants with labor market information necessary in assisting the youth to come up with well-informed choices; discuss ethical standards and improve their competencies and skills in the preparation of a comprehensive career guidance program. This will be held on October 11, 2014 at 8:00-12:00, 1:00-5:00 Saturday at the Audio Visual Center.

In view hereof, we would like to invite your schools' guidance counselor, teacher-counselors and career guidance advocates to come and join us in the seminar workshop. There will be a registration fee of P150 to cover for the speaker's honorarium, snacks, lunch, kit, certificates and other necessary expenses for the said activity.

We are hoping for your favorable response on this matter.

Thank you very much and Godspeed.

Very truly yours,

 LORA E. ANAR, RGC
 GC 205 Instructor

Graduate School

Vision

A premier institution of higher learning in teacher education, sciences and humanities

Mission

To develop competitive professionals who are committed to build a sustainable life for all through quality instruction, research, extension and production

Graduate School Mission

Regional dominance in graduate studies to serve as role model of quality, flexibility, relevance and sustainability in advanced education.

Strategic Goals for Quality Enhancement

Amidst an extremely competitive environment in advanced education, the University's Graduate School believes that **QUALITY** remains its most important selling point. Enhancement of quality advanced education will be done in two main fronts: Instruction and Research.

The BSU Graduate School shall develop in its student critical thinking and provide them with advanced training through scientific inquiry and independent research.
