Dear Atty. Chatto:

PAFTE X Greetings!

PAFTE Region X is the host of the 43rd National Convention and International Conference on October 16-18, 2014 at Capitol University Cagayan de Oro City and 11th Study Tour at Hong Kong/Vietnam October 19-23, 2014. This year's theme is "Gearing Up for ASEAN 20 Convergence and Collaboration for Teaching Excellence and Relevance

The convention aims to draw lessons from trends, best practices, researches in teacher education and development; to participate in presentations either as presenter or as active audience; to discuss issues in teacher education and development in a forum provided for researchers, policymakers, and practitioners and other partners in teacher education development; to strengthen old professional ties and establish new ones; to expand one's knowledge in and deepen one's desire to lead a life of wholeness and holiness; and to rekindle and sustain one's passion for teaching.

Being the host region and in the hope that we can share current trends in educational issues and strengthen linkages as partners in teacher education and development, we would like to request from your good office an official regional endorsement so we can invite the teachers in basic education of the department of education.

Your most favorable support is highly appreciated.

Very truly yours,

Dr. Romeo M. Daligdig
PAFTE X Chairman
