2014 MTAP-DEPED SATURDAY MATHEMATICS PROGRAMS

The Mathematics Teachers Association of the Philippines (MTAP) will be offering the *2014 MTAP-DepEd Saturday Mathematics Programs* for regular pupils/students and for talented pupils/students.

The first program is intended for regular pupils/students. This will be conducted on six Saturdays, 8:00 a.m. to 12:00 noon from August 9 to September 13, 2014. The sessions will be for pupils/students who belong from the 25th to the 85th percentile at each grade/year level from Grade 1 to Fourth Year. A written permit from the parents is necessary.

The first program aims to:

1. provide the pupils and students the opportunity to explore Mathematics without the threat of tests;
2. review the materials covered last school year that enabled them to do well in Mathematics in the present school year; and
3. prepare the Grade 6 pupils and Fourth Year students for entrance examinations for First Year high school and college levels.

The second program is for mathematically talented pupils/students. This will be conducted on seven Saturdays, 8:00 a.m. to 12:00 noon *from October 11 to November 29, 2014, except November 1, 2014*. The sessions will be for pupils/students who belong to the top 15th percentile. The school principal shall endorse the pupils/students who wish to participate, along with a written permit from their parents/guardians.

The second program aims to:

1. prepare the Grade 6 pupils and Fourth Year students for entrance examinations for First Year high school and college levels; and
2. prepare them for the Metrobank-MTAP-DepEd Math Challenge Competition.
