Project: Mass Production and Supply and Delivery of G1 to G3 Teacher's Kits (Science and Mathematics Equipment) to 31,969 Public Elementary Schools

Dear Ms. Racoma:

The Center, with your valuable assistance, had successfully conducted the collection of authorized signatories in the recipient schools in Public Secondary schools for science equipment projects. We are expanding the same activity to cover the authorized signatories of recipient schools in the Elementary Level under the above mentioned project. This exercise is important to prevent swapping, non-delivery and other problems during the delivery of the goods.

We would like to respectfully request your assistance in forwarding the letters herein attached to the different Schools Division Offices in your Region who are fortunate to be recipients of the project. Please persuade the Division Offices to hasten the submission of the signature forms by the recipient schools in the desired format by the last week of **November, 2014**. For the convenience of every recipient school, the signature forms can also be downloaded from the DepED-NSTIC website at www.nstic.net.ph.

With your valuable assistance, we hope to receive the forms soonest. Thank you.

Very truly yours,

BAUL C. LA ROSA
Director III
