Dear Atty. Chatto,

Warmest greetings!

It is with our sincerest pleasure to inform you that **Monde Nissin Corporation**, maker of the Philippine's leading quality noodles brand - **Lucky Me!**, intends to implement another batch of its long-running Lucky Me! School Tour - *Familyaro Pack and Play*, this SY 2014 to 2015.

Last SY 2013-2014, Monde Nissin Corporation, together with its implementing agency, *Guaranteed Marketing Services*, were able to feed and give joy to around 340,000 students across Mindanao in the Pack and Play implementation. Approximately 300,000 students benefited from the free *Play Balls* and *School Kits* given out during the span of the activity's implementation. With these figures, Monde Nissin Corporation is very much happy to accommodate another set of students for the year 2014 and 2015 targeting new schools and far flung areas to partake the following:

1. Promote knowledge on the importance of a healthy balanced meal, especially breakfast.
2. Provide recreational and functional school materials to students.
3. Offer an ideal opportunity to parents to spend quality time with their children.
4. Strengthen sympathetic connection among family members
5. Food tasting to all students in school.

We are positive that the company's re-run of the Pack and Play activity will greatly benefit the students, their families, and the teachers of every school that will be visited. We are again asking your department to grant us the permission to participate in the crusade of inculcating good Filipino values to our children.

Should you have any question or concern, our representatives would be glad to answer them, and present to you our collected materials and activity documentations from the previous program implemented, for your perusal. We also took the liberty of attaching the Sangkap Pinoy Seal Certifications of our *Lucky Me!* products, signifying our drive in promoting a healthy meal for the Filipino people.

Thank you very much and hoping for your approval on the said request.

Sincerely yours,
