RE: **LEVEL-UP REQUIREMENTS IN THE PERFORMANCE INDICATOR FOR SBM  
LEVEL OF PRACTICES EVALUATION/VALIDATION**

---

This Office informs the field on the Level-Up requirements in the computation of the performance indicators for SBM Level of Practices validation for SY 2015-2016.

Applicant schools shall be required to meet the score of 1.5 and above in the Performance Indicators stipulated in the Assessment Tool. The score in the DOD (Documents, Observations, and Discussions) during the evaluation/validation shall be added to the rating of the Performance Indicators to determine SBM Level of Practices.

Validated schools with a score of 2.5 and above shall be declared Level III by the region. Those schools that were validated as Level II by the region shall apply for a re-validation so that they will be declared Level III.

District and School SBM Team are enjoined to make necessary review on the performance indicator of the school as to respond to the challenge of achieving Level III. Your usual cooperation and support on this endeavor will strongly boost the morale of your stakeholders and to our Division in general.

This office is now accepting applications to be indorsed to the Regional Office for a request of validation. Schools not validated for Level II may apply as long as the Performance Indicator will meet the required score of 1.5.

For wide dissemination and compliance.
