As a part of ongoing surveillance of Lymphatic Filariasis, the Transmission Assessment Survey (TAS) has to be undertaken again by the Province of Bukidnon subjecting to 3,000 plus children ages 6 – 7 years old to determine whether or not the Province of Bukidnon sustain the category as a Lymphatic Filariasis Free Zone.

In order to conduct the survey which is scheduled on August 2015 the data needed are the following:

- **Total no. of primary public and private schools. –**
- **Total no. of student enrolled in grade 1 and 2, 6-7 years old.**
