Dear Mr. Oplenaria:

Greetings!

The City Government of Malaybalay will once again conduct an Assessment and Monitoring for the Search for Child Friendly Barangays and Schools 2015. The search is conducted yearly in order to ensure that programs and projects for children are being implemented and the local institution is able to respond and protect the needs and rights of children. Deserving barangays and/or schools shall be given due recognition and incentives in the culmination activity in the month of November 2015.

In this regard, there will be an assigned team that will visit elementary schools within the jurisdiction of the city on the scheduled dates (schedule is attached). The team is composed of at least 6 members of the City Council for the Welfare of Children or their respective representatives.

Thank you for the usual support and cooperation given to us and more power!

Very truly yours,

ADRIAN F. GAMBOA
City Planning & Dev't. Coord.
