**ATTENTION: MR. EUSEBIO G. AGUANTA**

**Dear Atty. Chatto:**

Greetings from the National Youth Commission!

We would like to invite your institution to participate in the #NowPH Campaign, which shall empower young people to raise public awareness on the science of Climate Change and on ways to lead to a climate resilient and climate –smart lifestyle by promoting 15 Ways to Low Emission Development Strategies (LEDS) in schools and communities.

The Philippines is ranked as the third (3<sup>rd</sup>) most vulnerable nation to climate and disaster risks. This is why the country plays a critical role in global climate negotiations. The country is expected to raise at least one million pledges or commitments, the output shall be presented to French President Francois Hollande, who sits as the President of COP 21. For the Island of Mindanao, we are tasked to gather at the minimum 50,000 signatures which end by November 10, 2015.

In this regard may we humbly request your institution to join this endeavor and help us raise the one million (1 Million) signatures for the road to Paris France 2015 through a DepED endorsement allowing our NowPH focal person for Northeastern Mindanao Cluster, Ms. Rizza Malou Vicente to gather signatures from the different schools within Region 10 most specially in Cagayan de Oro City.

Our NowPH Focal Person for the Northeastern Mindanao Cluster shall coordinate closely with you with regard to this endeavor. Please feel free to coordinate with the the NYC-Cagayan de Oro Area telefax number (088)8575895 or email via [nyccdo@nyc.gov.ph](mailto:nyccdo@nyc.gov.ph) for clarification and other concerns with regard to this matter.

Thank you as we look forward to your continued support to all the endeavors of the youth sector.

Very truly yours,

  
**EVANESSA O. PASAMBA, RN MPA**  
Clusterhead, Northeastern Mindanao
