RECEIVED

Dear Sir,

The Architecture Student Council (ASC), the officially recognized student organization for the Department of Architecture in the University of the Philippines Mindanao, is set to conduct the **Tinukib 2016**. The *Tinukib* is an annual activity wherein Grade 9th and 4th year high school students of the whole Mindanao are invited to participate in a two-day lecture series on basic design principles and workshops on model-making techniques. The entirety of the *Tinukib* aims:

- λ To provide an avenue for students, both the participants and the organizers to develop their capacity to execute and communicate creative ideas through three-dimensional models
- λ To create a venue for stimulating the initiative and creativity of participating students and organizers,
- λ To encourage the interest of high school students into the field of the arts through architecture,
- λ To enhance the critical thinking skills of participating students,
- λ To foster prosperous connections between UP Mindanao and different learning institutions and establishments throughout Mindanao, and
- λ To proliferate positive exposure for the BS Architecture Program and UP Mindanao.

For this academic year 2015-2016, the *Tinukib* will be held on February 8-9, 2016 at Abreeza, Ayala Mall, Davao City. The ASC, with the full support of the Department of Architecture, hopes to take the *Tinukib* to the Mindanao level by extending to schools in Mindanao. The participant(s) (Grade 9 to 4<sup>th</sup> year high school students and a coach) may opt to join the lecture series on the first day only. The participants, meanwhile, that wish to join the modeling and doodle competition on the second day are required to attend the lecture series on the first day. Please see separate page for the corresponding registration fees. This event will not be successful without the support of the Department of Education and the University of the Philippines Mindanao. In line with this, the ASC would like to request from your good office to help us disseminate this particular event by providing a memorandum addressed to different divisions and schools in the whole Region X to promote the *Tinukib 2016*.

Attached herewith are the required pre-requisite documents for the issuance of DepEd Advisory for the *Tinukib 2016*.
