ATTY. SHIRLEY O. CHATTO
OFFICER IN CHARGE-REGIONAL DIRECTOR
DepEd X, Cagayan de Oro City

Dear Madam,

With the increased interest and demand of students with intellectual and developmental disabilities to have access to K-12 curriculum, improvement in the accountability for academic achievement is most important. The Del Carmen Continuing Education and Skills Training Services considers it our highest priority that every person involved in educating these students be equipped with essential knowledge and core skills. As such, we are sponsoring an **"International Seminar-Workshop on Special Education for K-12"** (as per DepEd Advisory No. 134, S 2015) on **July 23-25, 2015 at AVR 2, Liceo de Cagayan University, Cagayan de Oro City** for all stakeholders of this advocacy and in celebration of **2015 National Disability Prevention and Rehabilitation Week**.

This seminar-workshop is designed to equip participants with knowledge and skills necessary in understanding, managing, and teaching children with special needs in the K-12 classrooms. We have designed a program that would immerse the participants in lectures on essential topics and engage them through interactive activities.

In light of the value of participating in this informative and interactive workshop, we have set the **registration fee to 450 Pesos**, snacks and meals not included. It is recommended that participants bring with them flash drive for electronic copy of the materials. Participants are students aspiring to become teachers, teachers in all grade levels, administrators of schools, parents, and other stakeholders.

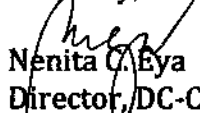

Please find attached Program of Activities.

We believe that together, we can realize the basic principle of education that regardless of disability, every child has the right to quality education.

We look forward to your support in this invaluable undertaking.

Thank you.

Sincerely,

Nenita C. Eya
Director, DC-CESTS
