DIVISION MEMORANDUM

No. 269 s. 2015

To: Education Program Supervisors
Public Schools District Supervisors
Elementary School Heads

From:  **EDILBERTO L. OPLENARIA**
Schools Division Superintendent

Date : July 31, 2015

Re : **DISSEMINATION OF REGIONAL ADVISORY NO. 19 S. RE : 17th REGIONAL CHEMISTRY CONGRESS.**

1. For the information and guidance of all concerned, enclosed is a copy of Regional Advisory No. 19 s. 2015 **RE : 17th REGIONAL CHEMISTRY CONGRESS**, which is self-explanatory.
2. Interested participants shall be recommended by their School Heads to ensure the non-disruption of classes in compliance to DepED Order No. 9 s. 2005 re: "Instituting Measures to Increase Engage Time on Task and Ensuring Compliance Therewith" and shall be submitted to this office attention : ANALY L. OCIER, EPS in Science on or before October 9, 2015.
3. Attendance to the said activity is on **official time only**.
4. Immediate dissemination of this Memorandum is desired.

Date: July 28, 2015

Subject: 17th Regional Chemistry Congress

Enclosed is the invitation letter of **GIRLIE D. LEOPOLDO, Chairman, Chemistry Department, MUST , Congress Chairperson, re: 17TH REGIONAL CHEMISTRY CONGRESS** with the theme: **"Chemistry : Catalyst for a Developing Mindanao"** on October 22-24, 2015 at Malberry Suites, Cagayan de Oro City.

For information and appropriate action.

r. Luz S. Almeda, CESO IV
Regional Director,
Department of Education - Region X
Zone 1, Upper Balulang, Cagayan de Oro City

Dear Dr. Almeda:

Greetings!

The Integrated Chemists of the Philippines (ICP) and the Kapisanang Kimika ng Pilipinas (Philippine Chemical Society) Regions X/XII/ARMM and CARAGA Chapters together with the Mindanao University of Science & Technology (MUST) Chemistry Department will be convening again for its **17th Regional Chemistry Congress on October 22 – 24, 2015** at **Mallberry Suites, Cagayan de Oro City**. To address the clamor of Chemistry Professionals in the other parts of Mindanao, we expand the scope and make it Mindanao-wide for the first time. This regular gathering of various chemistry professionals and enthusiasts from the academe, government and industry has chosen its theme for this year as: **"Chemistry: Catalyst for a Developing Mindanao"**.

The Integrated Chemists of the Philippines (ICP) is an organization of licensed professional chemists while the Kapisanang Kimika ng Pilipinas (Philippine Chemical Society) is an organization in which anyone involved in chemistry like chemists, scientists, chemical technicians, analysts, and those in the academic community are welcome to join in.

It is with pleasure to note that this forum will provide an excellent opportunity for professionals in chemistry to exchange current and relevant information and ideas in the various fields of chemistry and its allied areas including food chemistry, alternative and renewable sources of energy, environmental science, material science, biotechnology, and chemical education. It is also an opportunity to learn more about the recently-passed RA 10657 or the Chemistry Profession Act of 2015. Considering the growing population of chemists and chemical practitioners working not only in the academe but also in industries and laboratories, a symposium on Quality Assurance in Analytical Laboratories will be one of the highlights of the congress and this will be facilitated by the national officers of the ICP.

This convention aims to engage participants in an active and dynamic interaction of chemistry and the other sciences in the development of sustainable society and in meeting developmental goals here in Mindanao. Innovations and advances in the field are definitely needed in providing solutions to pressing problems by integrating chemistry knowledge and research outputs out of the schools and laboratories to the economy.

In this connection, we like to request for the support of your good office. We would greatly appreciate your
