MR. EDILBERTO L. OPLENARIA
Schools Division Superintendent
Department of Education Region X
Division of Malaybalay City

Dear Mr. Oplenaria:

Warm greetings!

We are writing your good office in relation to the Continuing Registration of Voters, Validation and Updating of Registration Records for the May 9, 2016 National and Local Elections. Pursuant to COMELEC Resolution 9863 promulgated last April 1, 2014, In a Matter of 1. Amending Sections 28 and 38 of Resolution 9853 and 2. Guidelines on Deactivation of Voters Registration Records, all registered voters without biometrics (electronic picture, fingerprint and signature) in the Voters Registration System of the City Comelec after the last day or registration on October 31, 2015 **will be deactivated during the last Election Registration Board meeting on November 16, 2015.** This is in accordance with the mandate of an EXISTING LAW (R.A. No. 10367), An Act Providing for Mandatory Biometrics Voters Registration, which shortly means that **NO VALIDATION/NO BIOMETRICTS in the CITY COMELEC--NO VOTE (According to R.A. NO. 10367).**

Relative to this, we would like to respectfully request the updated list elementary public school teachers for the Division of Malayblay City for us to check if they already have the required biometrics with our system. This proactive approach in addressing the immediate need to validate all registered voters without biometrics data before the October 31, 2015 deadline will prevent their disenfranchisement. Kindly note that once their registration record has been deactivated due to failure to comply with the mandatory biometrics capturing, they will not be allowed to serve as Board of Election Inspector (BEI) or any other position during the conduct of elections.

We pray that you will give this matter with your usual utmost attention.

Thank you and more power.

Very truly yours,

ATTY. CHUBASCO CENENT. CAIÑA
City Election Officer III
