**ATTENTION: MRS. JOSIE ZAMORA**  
Education Program Supervisor  
Student Teaching Coordinator

Dear Dr. Oplenaria,

Good day!

Our Senior Education Students are now undertaking practice teaching an important component in the Teacher Education Program. There are 230 BSE students enrolled in the student teaching program for this semester, 31 of them will be assigned in the Division of Malaybalay City. Half of them will now be deployed for off-campus and the rest will follow after completing the number of hours in their in-campus.

In view of this, we would like to ask permission to allow our student teachers to have off-campus in their most preferred school in your division. The first batch will begin on **November 11** and will culminate on **January 12, 2016** while the second batch will start **January 13** to **February 24, 2016**. Moreover, we would like to request that they will be properly guided and mentored by your competent teachers' who has a significant role in the development of our future teachers. The student teachers are our junior partners for the developmental progress of our students, as well as we are partners in assisting the young man and woman entering in one of the noble profession. Let us be the "builders of those who build the builders". It is hoped too that this undertaking will ensure better preparation and deep appreciation of the profession. Attached is the list of student teachers and their respective assignments for their off-campus internship.

We anticipate for your favorable response on this matter. Thank you and God bless.

Very truly yours,

  
**GLADYS SAHAGUN-ESCARLOS**  
Student teaching Supervisor
