Dear Director Farnazo,

We would like to inform you that 2,715 personnel from your Agency who were enrolled in the GSIS membership database and were accordingly issued Business Partner (BP) Numbers, have not yet enrolled in the UMID Card facility. (See Annex A)

While these members are entitled to receive a package of social security benefits, such as retirement, life insurance, separation, unemployment, disability, employees' compensation, funeral, and survivorship, they cannot be issued with the UMID cards which would allow them to avail of loan privileges and inquire about their membership data through the GSIS Wireless Automated Processing System (GWAPS) kiosks.

In this regard, we would like to request your assistance to advise the GSIS members (names are in the attached list) to enroll in the GSIS UMID card.

To enroll, they may visit the nearest GSIS office and bring two valid government-issued identification cards which may include the following: office ID, Land Transportation Office (LTO) license, Professional Regulation Commission (PRC) license, passport, and voter's registration ID.

Thank you for your assistance and support.

Very truly yours,

**DIONISIO C. EBDANE, JR.**
