Schools Division Superintendent
Division of Malaybalay City

Sir:

Greetings!

The Renal Disease Control Program is to resume what it has started in the year 2016 the facilitation of providing free urine test with the 200 dear grade 1 pupils per school last June for the Renal Disease Month celebration and October 2016. We shall be going for another round of schedules for the said activity starting January, 2017.

Relative to this, we appeal that you allow us once again to pursue this endeavor to an expanded coverage where we can cover for the whole city of Malaybalay, allowing only all Grade 1 pupils to avail of the free urine test. Attached hereto is the list of schedules per school.

We again anticipate with gratitude for the accommodation of this request.

Thank you very much for the usual support.

Truly yours.

DENNIS P. SANGALANG, M.D.
City Health Officer II
