Dear Sir:

Greetings of Peace!

The City Social Welfare and Development office is intensifying its advocacy on Child Rights & Child Protection because of the growing number of children subjected to violence such as physical maltreatment, sexual abuse and molestation, child trafficking, in hazardous work, and others. This gross reality drives the different structure in our society to take action especially in the prevention and rehabilitation of children.

To enhance the role and understanding of children in the promotion of their rights, we are conducting Child Rights Advocacy to elementary pupils & Child Protection Laws Advocacy to high school students in our city.

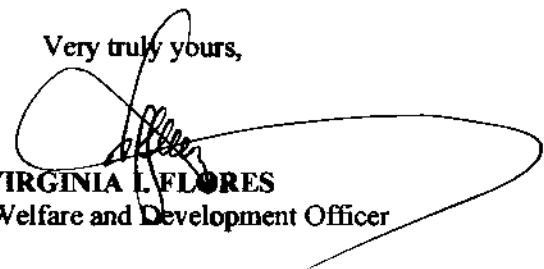

In this connection, we would like to request your authorization to allow us to conduct the said activity, through a 1½ -hour session to all **Grade 6 & Grade 10** students at:

| Name of School: | When: |
|------------------------------------|-------------------|
| 1.) Casisang Central School | February 7, 2017 |
