ATTENTION: ALL GUIDANCE COUNSELORS/FACILITATORS

Sir:

We are excited to share with you the news of an upcoming event at a place near you.

On February 26, 2017, **Blue Compass Training and Consultancy**, in partnership with **Network of Career Guidance Advocates of the Philippines – Region X Bukidnon Chapter**, is bringing Ms. Juliet van Ruyven, International Speaker, Decorated Entrepreneur and Best-Selling Author of the book, “The Tale of Juliet,” to Bukidnon in an event that brings together like-minded people who are ready to claim success as their birthright and switch from poverty mentality to prosperity mentality.

This event, called ***Reprogram Your Mind for Success***, aims to empower business leaders, heads of offices in different organizations within the community, entrepreneurs, teachers, counselors, parents and even individuals who seek personal and professional development but have no idea where or how to start.

Furthermore, this proactive undertaking seeks to benefit the community by providing a results-based livelihood training and mentoring program to start-up entrepreneurs who might not have the same opportunities in life as you.

In addition to learning from one of the world’s most influential motivational speaker, our team will also give you as an added bonus a short course on **Neuro Linguistic Program (NLP)**, a powerfully potent tool that you can use in your everyday life to effortlessly reach your goals. NLP, as an approach to communication, personal development and psychotherapy, has helped many businesses and individuals achieve extraordinary levels of success recently.

Specifically, NLP can help you to

- ✓ Significantly improve personal and professional relationships
- ✓ Manage stress effectively
- ✓ Heal trauma
- ✓ Remove blocks that prevent you from becoming your best self and reaching your fullest potential
- ✓ Reprogram self-defeating beliefs that keep you from believing in yourself and in your capabilities
- ✓ Position yourself for success and abundance

We believe in building the nation one person at a time, and we believe this can begin with you. Your participation to this life-changing event will go a very long way in nation building. Attached is a brochure for your reference. I am inviting you to get in touch with us through the email address indicated above or through Mobile No. **0925 8981982 (Sun Cellular)** for more information.

Thank you for your time and we look forward to seeing you very soon. Please see attached brochures and flyers for reference and payment of registration.

To your abundance and success,

Blue Compass' commitment to nation building has brought it to different places around the country, working hand in hand with partner groups & individuals who share the same advocacy in providing sustainable livelihood & mentoring to the less privileged through its advocacy program, Bayani Juan.

In an Aeta community in Pampanga, for instance, Blue Compass partnered with local individuals in empowering Aetas, teaching them basic entrepreneurial skills and enhanced their craftsmanship.

They now produce world-class souvenir and household items made from sustainably-sourced coconut shells and other coconut products.

A SEMINAR FOR A CAUSE

Blue Compass Training & Consultancy is, on the one hand, passionate about premium corporate training & development. We are eager to help companies improve in mostly every aspect of their business so they can achieve better & higher goals. On the other hand, we are also helping build the nation one community at a time by providing results-based training & mentoring programs to start-up entrepreneurs in different municipalities around the country. This

Blue Compass Training & Consultancy, bringing out the *bayani* in every *Juan*.

advocacy is anchored on our faith in SMEs to be driving force of our nation's economy.

HOW DO WE DO IT?

We believe there is a hero in each of us but oftentimes that hero fails to come out because of the faulty programming that society, and sadly even schools, introduce to us over the years. We believe we can all do so much more and that greatness is our birthright, and so we bring

people together in events that foster learning and take education to a totally different level, with world-class teachers that can propel you to the direction of your dreams; events that allow people to reprogram their minds for success and unleash that hero within.

How Can You Help?

The funds we raise from these revolutionary educational events go to our advocacy program called *Bayani Juan Builder*, where we give results-based livelihood training and mentoring program to start-up entrepreneurs and build a *bayani* in every *Juan*. With this, you can be sure that when you join **Reprogram Your Mind for Success**, you are not only investing in your own personal growth and mastery, you are contributing meaningfully to your community's success. By simply joining the event, you help bring out the hero in your fellow citizens who may not have the same opportunities as you.

What Do You Get?

Reprogram Your Mind for Success with Best-Selling Author, International Speaker & Decorated Entrepreneur Juliet van Ruyven, and Training Specialist/Business Consultant Mark Pagaduan, not only allows you to become part of a proactive undertaking of nation building and spreading the message to urge every Filipino to follow his dreams and live a better life, it also allows you to rediscover your own dreams and reignite your passion to achieve that which you were born into this world to achieve.

We believe in you!
