**SUBJECT : 2017 National Women's Month Celebration (NWMC)**

Pursuant to Presidential Proclamation No. 224, 227 and Republic Act No. 6949, the Philippine Commission on Women (PCW) leads the annual National Women's Month Celebration (NWMC).

This year's theme "***WE Make Change Work for Women***", emphasizes that women should be active drivers in bringing about positive changes, and that they should reap from development efforts.

To promote public awareness in the observance of the event, all government agencies are encouraged to undertake related activities, such as:

- Hanging of 2017 (NWMC) official streamer in all government agencies, including regional offices, local government units, and Philippine embassies and consulates;
- Development, production and distribution of Information, Education and Communication Materials for 2017 NWMC which include collaterals designed by PCW and agency-specific materials like flyers that feature agency services offered to their women clients;
- Uploading of the official logo, advocacy video and other National Women's Month advocacy materials in government agencies' website and social media accounts;
- Participation in the online campaign thread about the observance by uploading photos, news features and other information relative to NWMC 2017 and gender and development (GAD), using the hashtag #WomenMakeChange;
- Participation in the online advocacy: #BilangBabae I am a #PartnerForChange from March 1 to 20. Said online advocacy is a PCW initiative through social media enjoining women netizens to share idea of change and how they see themselves contributing to achieve that change.
