Malaybalay City Division

Dear Sir Oplenaria;

Greetings of peace!

Meta-Asian, is a group of Professional Educational Events Coordinator, Organizer and Exhibitor whose aim is to provide a more effective and enjoyable way of transmitting knowledge to its clientele. The group is well exposed to the various facet of education that will surely and productively guarantee total quality **LEARNING**.

For this season Meta Asian Educational Concept will be bringing in the Region the **FIRST INTERACTIVE SCIENCE MOBILE MUSEUM** with a Theme **"I'M A SCIENTIST"**, a Travelling exhibit launched July 2006 designed to reach out to students in every corner of the archipelago, delivering exciting science exhibits to students and teachers alike.

Meta Asian "I'M A SCIENTIST" have reached thousands elementary, high school and college students and toured to various regions throughout the country, including impoverished areas. With the mission of bringing the fun science to the classroom, the exhibits were able to create a learning environment where science concepts are discovered in an entertaining way and imagination can capture the hearts of young minds.

In line with this, we are writing you to formally invite different schools in your division to visit our Science Mobile Museum where they can **discover and re-discover The World of Science**. We also ask your permission to post our promotional materials to your bulletin / activity board. The Mobile Museum will be on **March 2, 2017 | Venue: Malaybalay Gymnasium (feel free to call us for final venue) Time Slots: 8am, 9:15am, 10:15am, 11:15am, 1:15pm, 2:15pm, 3:15pm, 4:15pm and 5:15pm, in every Time Slot we can accommodate 150pax-250pax.**

To cover up all the expense for venue, trucking and honorarium we have minimal fee:

PUBLISHED RATE: PHP. 180.00

SCHOOL DISCOUNTED RATE: PHP. 150.00

*****for every 100tickets you will get a 2 Free of Charge Tickets**

*****TEACHERS ARE FREE OF CHARGE**

This Exhibit is very suitable from Preparatory, Intermediate, and High School to College Students and Teachers for classroom discussion especially in K-12 Science and Technology and other Branches of Science.
