Division of Malaybalay City
Malaybalay City, Bukidnon

Dear Sir;

Christian Greetings!

The **Bukidnon Football Association and Philippine Football Federation** will be having a Football League with the banner and tournament title: **SIKAD "Sagisag ng mga Institusyon at Kabataang ayaw sa Droga"** at the **FIFA Football Training Center, Hindangon, Valencia City, Bukidnon**. This is open to all enrolled High School Students including the Senior High School, Boys and Girls, no age limit. This project is aligned to the vision of our Country's President Rodrigo Duterte of a Drug-free Philippines and FIFA's clear aim of keeping football free from doping.

This tournament is in line with the program of DEPED as to Strengthening the National Drug Education Program and the goals of the incumbent DEPED Education Secretary Leonor Magtolis Briones of letting more students to get involved into sports and keep away from illegal drugs.

With this, we will be sending Invitation Letters to public and private schools in your Division. The Kick-off of this said tournament is on **September 16, 2017 Saturday** and the following matches onwards will be scheduled during the weekends only, to prevent disruption of classes' hours.

We ask your help to encourage your schools to join this big tournament since this project is not only for pure competition but also for Drug-Awareness. One of the features of this tournament will be a Drug Symposium and other activities sponsored by our Local Government Units. New and amateur teams from your schools division are greatly encouraged to join this competition for exposure and experience.

In line with this, we will also be giving away certificates to the coaches and training balls to selected schools that have participated in this activity. This tournament will open new opportunities to DEPED coaches and players, because we will be scouting for potential players that will join our training pool for the Bukidnon Team. This tournament will also help us determine new development and training programs from the Philippine Football Federation to benefit the new and old DEPED Coaches and Trainers.

Your presence and support to our development endeavors for our youth is greatly appreciated.

Sincerely,

FERDINAND V. ECUACION
PFF RFA-Technical Director
Bukidnon Football Association
