Sir:

Greetings!

The Renal Disease Control Program has resumed since June what it has started in the year 2016 the facilitation of providing free urine test with the 200 dear grade 1 pupils per school.

Relative to this, we asked that you also publish in your website the additional schedules not included in the rooster of schools for urine screening previously. The said schedule is attached to this communication.

We again anticipate with gratitude for the accommodation of this request.

Thank you very much for the usual support.

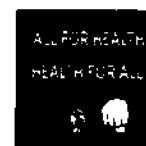

Truly yours.
