RECEIVED

Dear Dr. Farnazo:

Warm greetings from the Center for Biodiversity Research and Extension in Bukidnon.

CEBREM is an organization that was established to protect and conserve the remaining biodiversity in Mindanao through research, training, education and community involvement. The center will be celebrating its 6<sup>th</sup> Founding Anniversary on November 17, 2017 at Central Mindanao University. In keeping its mandate, the center organized the 1<sup>st</sup> International Conference on Biodiversity on November 15-17, 2017 at Farmers Training Center, CMU, Musuan, Bukidnon with the theme "Strengthening Collaboration among Stakeholders for Biodiversity and Sustainable Ecosystems".

This international conference is purposely organized to:

1. present current trends in biodiversity and ecological research;
2. disseminate biodiversity and ecological research results to teachers, researchers from academic institutions, policy makers, donors and other stakeholders;
3. give insights to LGU's, administrators, and heads of offices for policy formulation; and
4. strengthen research linkages/collaborations among researchers and other stakeholders.

In line with this, I would like to request your good office to issue a memorandum inviting researchers and teachers in primary and secondary schools in the region to participate in the aforementioned activity. Attached herewith is the conference announcement which includes invited speakers and topics, registration fee, abstract submission and other details.

Thank you very much for favorably acting on this request.

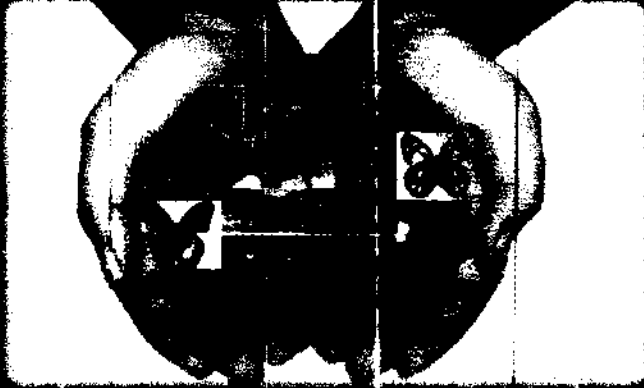

Sincerely,

**VICTOR B. AMOROSO**  
Director of CEBREM

## TRAVEL INFORMATION

### TRANSPORTATION

How to get to Central Mindanao University?

The 1<sup>st</sup> international conference will be held at the Farmers Training Center, Central Mindanao University (CMU), Musuan, Bukidnon, Mindanao, Philippines. The University is in the Municipality of Maramag, with the clearly visible landmark "Musuan Peak".

The closest airports are those in Davao (direct flights from Manila, Cebu, Zamboanga, Iloilo, Puerto Princesa, and Singapore) and Cagayan de Oro City. Cagayan de Oro port receives passenger boats from Manila, Cebu, Tagbilaran, Bacolod, Dumaguete, Iloilo, and Jagna, Bohol. Davao International Airport is the preferred airport since there are a number of flights in a day.

For those arriving by plane, a trip by land is required from either Cagayan de Oro City or Davao City. From the Laguindingan airport, you may take a van to the Agora Bus Terminal in Cagayan de Oro City. Take a Davao-

bound bus; the 126 km trip to Musuan, located between Valencia and Maramag, usually takes 4-5 hours. An alternative is to rent a vehicle from the airport all the way to Musuan. The fare should be agreed upon before the trip.

From the Davao City airport, take a taxi to the Ecoland Bus Terminal. Take a Cagayan-bound bus for the 154 km trip to Musuan (located after Maramag and before Valencia). The land trip that passes the scenic and high elevation Marilog Forest and Mt. Salumay usually takes 4-5 hours.

All participants must alight at the Main Gate of Central Mindanao University.
