Gear **DIR FARNAZO**:

Greetings!

With the various security threats and concerns the country has been experiencing, such as insurgency, criminality, proliferation of illegal drugs along with the recent advent of terrorism, among others, our Agency along with the Armed Forces of the Philippines (AFP), Philippine National Police (PNP), Philippine Drug Enforcement Agency (PDEA), and other security forces endeavor to initiate Information Drive to raise awareness on the prevailing situation related thereto.

The efforts aims to anchor on DepEd's Memorandum No 221 series 2013 or the Guidelines on the Protection of Children During Armed Conflict as a Countermeasure against the NPA and during Armed Conflict, of which focuses particularly on denying NPA opportunities to recruit students in the public schools.

As such, I am writing to invite your office to partner and support us in this endeavor. We wish to launch and organize an information Campaign delving on presenting materials that would raise awareness to students on the threats and challenges confronting our society in terms of security, to identified schools (state universities/colleges, high school), initially in Bukidnon and Misamis Oriental.

Please consider partnership with us to expand and roll out the initiative to reach the identified student/youth sector. We will visit you soon to discuss our partnership in this endeavor to implement relevant activities of the campaign.

Should you have any inquiries on the matter, feel free to call us on the following numbers: (088) 858-2565 (landline) or 0995-1904810 (mobile).

Thank you very much and assuring you of our continued cooperation on matters of mutual interests. More power and God bless.

Truly yours,
