

### DIVISION ADVISORY

**To: Chief Education Supervisors and Staff, CID and SGOD  
Public and Private Elementary and Secondary School Heads  
This Division**

**From: *Edilberto L. Oplenaria*  
EDILBERTO L. OPLENARIA, CESO VI  
OIC – Schools Division Superintendent**

**Date: January 31, 2018**

**Subject: DISSEMINATION OF THE LETTER FROM JHANRYO EVENTS MANAGEMENT (JEMS) SERVICES ABOUT THE COMPREHENSIVE ASTRONOMICAL AND ENVIRONMENTAL AWARENESS PROGRAM**

1. The field is hereby informed of the enclosed **Letter from Jhanryo Events Management Services (JEMS) about the Comprehensive Astronomical and Environmental Awareness Program** which they hoped to conduct to all interested schools in the Division.

2. The said program is a suitable and effective educational event which aims to promote awareness on environment & climate change and astronomical & space through the aid of modern and interesting teaching methodologies. It is comprised of three activities, viz:

- a. 3D Film Viewing,
- b. Gallery and Interactive Exhibit, and
- c. Workshop.

3. Interested schools may contact **Mr. Francis Gabuya** of Jhanryo Events Management Services through his mobile number **09153688774**.

4. Wide dissemination of this Advisory is highly enjoined.

**EDILBERTO L. OPLENARIA, Ph.D., CESO VI**

Schools Division Superintendent  
DepEd Malaybalay City Division Office  
Malaybalay City, Bukidnon

Dear **Dr. Oplenaria**,

A Perfectly Clear Sky to you!

The extreme consequence of catastrophes brought by severe changes in our climate system had brought the entire humanity countless sufferings including loss of lives and damage to properties. Such aftermath affects not just one particular area but the entire geographical zone worldwide.

In the Philippines, the devastating effects of super typhoons such as “Yolanda,” the extensive drought brought about by “El Niño” coupled with heavy rainfall due to “La Niña” and high intensity earthquakes have challenged the lives of many Filipino people leaving countless casualties. Climate System change which dramatically increases the effects of natural calamities such as these are offshoots of atmospheric movements.

Amidst these challenging threats caused by Climate Change, The Jhanyro Events Management Services (JEMS) proposes a suitable and effective educational activity aimed at promoting awareness on Environment & Climate Change and Astronomy & Space through the aid of modern and interesting teaching methodologies. This can be a valuable addition to other aspects of the teaching/learning process which could help the students synthesize formerly disparate pieces of information into a more holistic understanding.

JEMS is proud to introduce our Comprehensive Astronomical and Environmental Awareness Program which includes the following activities:

- Activity 1        3D Film Viewing**
- Activity 2        Gallery and Interactive Exhibit**
- Activity 3        Workshop**

In this regard, we are asking permission from your good office to conduct these voluntary / non-compulsory activities. Through your office, JEMS will be conducting a school caravan nationwide and would like to visit schools by providing additional Science resources and different learning experiences for students using their creative imagination without having them leave the school premises.

With your valuable support, we can achieve our goal in raising nationwide awareness and appreciation of the environment and Astronomy through JEMS.

For more information, please do not hesitate to contact us at 0948-294-7638 / 0915- 368- 8774 or may also email us at [jhanessflores@gmail.com](mailto:jhanessflores@gmail.com)

We look forward to your favorable response.

With highest esteem:

**Jhaness P. Flores**  
Marketing Director

## ABOUT US

A seeming exclamation, Jhanyro Events Management Services, otherwise known as JEMS, proudly announces that we have found a way to bridge the gap between Environmental Space Science and Education through a comprehensive program that aims to promote total awareness and consciousness on the topic of Astronomy, Climate Change, Global Warming and other aspects of Science. Therefore, in an effort to introduce the fundamental information as well as breakthroughs on these subjects, JEMS proposes a fun and exciting presentation through the aid of modern technologies and methodologies. JEMS' utmost desire is to spread the passion of scientific learning of the participants and elevate their level of knowledge on these topics through these proposed means. It is one brilliant way to support the youth in their continuous search for answer and curiosity. The program aims to awaken and mold the bright minds of the participants towards becoming future Filipino Astronomers, Environmentalists and Climate Change Advocate.

## OUR PROGRAM

Being the pioneer in integrating the broad topics of Environmental and Astronomical Knowledge, JEMS offer a wide range of interesting and highly educational shows, exhibits and other presentations where learning efficiency can reach its optimum level.

One of the most pressing development issues today in our world is the serious threat of Global Warming caused by numerous factors. JEMS intends to educate the participants on fundamental concepts of Climate Change and its impact on our environment in the most entertaining way. The Film features the effects of Climate Change in Water, Land, Forest, And in Polar Region.

This display showcases variety of art exhibits and other amazing works of art that deals with Biological Diversity, Flora & Fauna Species, Astronomical Facts and Breakthroughs, Optical Illusions, Proper Solid Waste Management (in consonance with the Ecological Solid Waste Management Act No. 9003 series of 2000), the Power of 3R's (Reuse, Reduce & Recycle) and the Life Span of Common Garbage and Wastes. The exhibit includes detailed information on the itemized topics.

## INTERACTIVE GADGETS

Participants will be in total action as they can effectively aid in the proper understanding of certain subjects including body conduction, radio meter and tectonic and /or volcanic movements of the Earth's surface. With the help of our highly energetic and well-trained lecturers, participants discover the principles and ideas behind the mechanisms of every interactive gadget. Furthermore, the enticing cool devices will make them proactive with the lecturers while skillfully managing each gadget.

## CHROMA KEY

Chroma Key - Students can experience the thrill of being part of the scene and enter into the world of fantasy as they fly beyond earth or dive underwater, a new activity to experience.

Note: Sample Flow of Event:

ACTIVITY				
8:00 A.M – 8:30 A.M	1	ACTIVITY 1		100
	2	ACTIVITY 2		100
	3	ACTIVITY 3		100
8:40 A.M – 9:10 A.M	1	ACTIVITY 2		100
	2	ACTIVITY 3		100
	3	ACTIVITY 1		100
9:20 A.M – 10:00 A.M	1	ACTIVITY 3		100
	2	ACTIVITY 1		100
	3	ACTIVITY 2		100

Today is the perfect time for us to discuss these bright ideas. The pupils, students, teachers and school administrators from both public and private schools are invited to watch the show.

Let us explore the JEMS Learning Experience.

**COMPREHENSIVE ASTRONOMICAL AND ENVIRONMENTAL AWARENESS  
PROGRAM OF JHANYRO EVENTS MANAGEMENT SERVICES**

Jhanyro Events Management Services (JEMS) announces its *Comprehensive Astronomical and Environmental Awareness Program* for the School Year 2017-2018, which includes the following activities:

1. Digital Mobile Planetarium;
2. The Gallery;
3. Interactive Exhibit; and
4. Workshop.

The Program aims to promote awareness on Environment and Climate Change, and Astronomy and Space, through the aid of modern and interesting teaching methodologies.

The target participants are school administrators, teachers, and learners from both private and public elementary and secondary schools nationwide.

In line with DepEd Memorandum No. 47, s. 2017 entitled *Moratorium on DepEd Educational Field Trips and Other Similar Activities*, schools may organize extracurricular activities provided that these are done inside the school premises to ensure the security and safety of learners.

Participation of both public and private schools shall be subject to the no-disruption-of-classes policy stipulated in DepEd Order No. 9, s. 2005 entitled *Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith*. This is also subject to the no-collection policy as stated in Section 3 of Republic Act No. 5546, *An Act Prohibiting the Sale of Tickets and/or the Collection of Contributions for Whatever Project or Purpose from Students and Teachers of Public and Private Schools, Colleges and Universities (Ganzon Law)*.
