## SEVERE WEATHER BULLETIN #15

### FOR: TROPICAL DEPRESSION "BASYANG" (SANBA)

### TROPICAL CYCLONE: WARNING

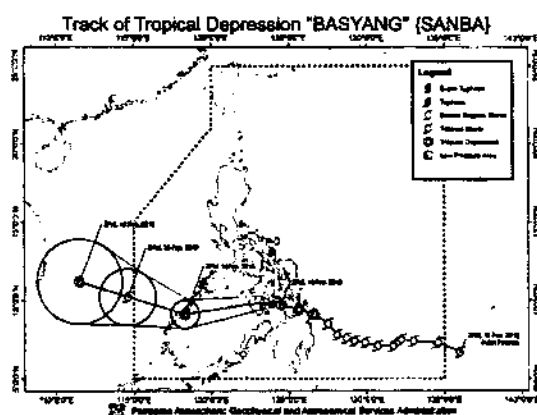

ISSUED AT 5:00 PM, 13 February 2018

(Valid for broadcast until the next bulletin to be issued at 5 AM tomorrow)

**"BASYANG" HAS SLIGHTLY WEAKENED AS IT CONTINUES TO TRAVERSE THE BOHOL SEA.**

- **Scattered to widespread moderate to heavy rains** will prevail in the next 24 hours over Palawan and Visayas. Meanwhile, **scattered light to moderate with at times heavy rains** is expected over Zamboanga Peninsula, Northern Mindanao, Caraga, and the provinces of Basilan, Sulu and Tawi-Tawi. Residents of these areas must continue monitoring for updates, take appropriate measures against possible **flooding and landslides**, and coordinate with their respective local disaster risk reduction and management offices.
- **Sea travel remains risky** over the seaboards of areas under Tropical Cyclone Warning Signals (TCWS), as well as the seaboards of Northern Luzon and of Visayas, the eastern seaboards of Central Luzon and of Mindanao, and the eastern and southern seaboards of Southern Luzon due to the Tropical Depression and the surge of the Northeast Monsoon.

|                               |   |
|-------------------------------|---|
