You have worked so hard to enhance the skills and competencies you need as you continue the pursuit of higher education with the support of everyone who are concerned about your future.

The current community system poses various challenges both physical and mental. It is quite certain that you will face diverse challenges which needs to be addressed in order to fulfill your dreams and ambitions in life. Hence, the theme, "**K to 12 Learners: Ready to Face Life's Challenges [Mag-aaral ng K to 12: Handa sa Hamon ng Buhay]**" underscores the significance and relevance of the K. to 12 Curriculum in equipping the learners from kindergarten to senior high school.

Be that as it may, the concerted effort of internal and external stakeholders will continue to be of great assistance so that you will be purveyed with the necessary equipment and facilities for instruction.
