Dear Sir:

Greetings!

This is to inform you that the **Molecular Biology Laboratories of the Natural Science Research Center (NSRC) in Central Mindanao University**, in cooperation with the Department of Biology of College of Arts and Sciences in Central Mindanao University (CMU), Center for Biodiversity for Research and Extension in Mindanao (CEBREM) and Biology Teachers Association, Inc. (BIOTA)-Bukidnon Chapter will conduct a **Short Term Course on Basic Molecular Biology Techniques and DNA Barcoding** on June 6-9, 2018 at the CMU Natural Science Research Center. There will be a registration fee of Php 8000.00, inclusive of a kit, 4 meals and 8 snacks. The participants will have the basic understanding and actual hands-on on DNA isolation, electrophoresis, PCR, sequence editing and analysis and phylogenetic tree construction using different softwares. Virtual and easy laboratory exercises will be taught to cater to schools who have not acquired yet the necessary equipment for molecular biology. The basics of biotechnology and recent updates will be included in the lectures. There will also be a demonstration on phytochemical analysis.

In connection with this, may I request for a DEPED endorsement of the said activity.

Thank you so much for your full support.

Very truly yours,

REGGIE Y. DELA CRUZ, PhD
