MESSAGE

One DepEd toward Quality Education.

Congratulations to all the 2019 completers and graduates!

This year's ceremonies are anchored on the theme
“PagkakaisaPagkakaiba-iba: KalidadnaEdukasyon para saLahat.”

Faithful to our mandate, we in Deped X have always been striving toward this challenge of unity amidst diversity particularly in the delivery of inclusive education as evidenced by the continuous collective efforts of our DepEd officials, school administrators and staff, teachers, families, communities, and stakeholders. Proof of these noble efforts is the accomplishments of this year's batch of completers and graduates.

But with these accomplishments come bigger challenges—the challenge for our learners to apply their acquired competencies and hurdle the next levels of their academic preparation and even career path, and it is our duty and challenge as well to take them to where they want to be.

While the road to quality education has never been easy, it is nevertheless not impossible especially if we work as “One Team, One Dream, One Direction” just like what we always say “One Department of Education.”

All together, let us march toward success—onward to quality education for all.

Once again, congratulations to all of us!
