Malaybalay City Division

Dear Baguio:

Greetings!

This is to inform your good office that the City Mayor's Office will conduct a training program for our Sped and some Kindergarten teachers on August 15-17, 2019 at the Garden's Party Venue, Malaybalay City, Bukidnon in taking care of our special children with Autism, ADHD and those with intellectual disability from other causes.

A total of fifty (50) teachers are willing to be trained for three (3) days and the local government will shoulder the venue and food of the participants and facilitators from the University of the Philippines-Philippine General Hospital (UP-PGH) Department of Rehabilitation Medicine to serve as Resource Speaker headed by Dr. Betty Dy. Mancao as commissioned and approved by the Early Childhood Care and Development Council (ECCD Council).

The ECCD Council program on early identification, prevention, implementation and referral will surely help our teachers in upgrading their knowledge and skills.

Thank you.

Very truly yours,
