This Division

1. This Office announces the opening of the 2013 MTAP-DEPED Mathematics Saturday Program in compliance with DepEd Order No. 39, s. 2009. In line with this, the Division will organize MTAP Saturday Classes.
2. Each District is encouraged to put up their District **MTAP Saturday Program**. Big / Central and Private schools are enjoined to have their own Center with at least 15 pupils per class. To avail of MTAP materials in the Division, each center should submit the list of MTAP pupils/students to the Division Office. **Deadline for submission is September 20, 2013.**
3. Division MTAP Officers, District Math Coordinator, MTAP trainers per center is scheduled to meet on September 20, 2013 at 1:30 p.m., Kalasungay Central Elementary School, Kalasungay. ***No registration is required.*** Participants will provide their own snacks and meals.
4. Traveling and other expenses is chargeable against Schools/District MTAP Funds.
5. Enclosed is the pro-forma of parent's permit allowing their child to attend Saturday classes.
6. Immediate and wide dissemination of this memorandum is desired.

  
**EDILBERTO L. OPLENARIA**  
Schools Division Superintendent

## ANNOUNCEMENT

The **2013 MTAP DepEd** Saturday Program in Mathematics will be conducted on six (6) Saturday-*September 21, 2013 to October 26 for the regular and seven (7) Saturday for the excel program from November 9 to December 28, 2013.* The sessions will be for the 25<sup>th</sup> to the 85<sup>th</sup> percentile of the students at each grade/year level, Grade 1 to 4<sup>th</sup> year. A Center may opt to take participants only from Grade 2 or Grade 3. The classes will be from 8:00 to 12:00 noon. Students are required to attend in uniform and with their school ID. In case the uniform is in the wash, students may attend in their P.E. uniform.

The *fee of P200.00 for the regular program for 6 sessions and P250.00 for the excellence program for 7 sessions.* Student may paid to the Centers where they choose to attend Saturday classes.

The program aims at providing students the opportunity to do Mathematics with some explorations without the threat of test, giving an intensive review of the work of the previous year and the first few weeks of this year, and College respectively.

(Names of Schools that will be Centers for the Program)
