I. SCHOOL LEVEL:

1. A school is recommended to have a competition using a written exam by grade/year level prepared by the school.
2. The top three students per grade/year level who will obtain the highest scores will represent the school in the Elimination Round.

Note: The elimination round is open to ALL interested schools, both private and public. It is suggested that school districts should not conduct their own elimination to choose contestants for the whole district. This is to give each school equal chances of joining.

3. There shall be a maximum of (18) pupils for Elementary and/or (12) students for Secondary in every participating school, broken down as follows.

Example: School A (Elementary)						
Grade	I	II	III	IV	V	VI
No. of Pupils	3	3	3	3	3	3
Total	18					

School A (Secondary)				
Level	Grade 7	Grade 8	3 rd Year	4 th Year
No. of Students	3	3	3	3
Total	12			

4. All participating public and private schools are required to accomplish a one-page **Registration Form (MMC Form 1)**, a photocopy of which should be sent directly to the DepEd Division Math Supervisor in-charge on or before **November 4, 2013**.
5. The school must present the original copy to the registration in-charge during the Elimination Round on December 5, 2013 (Elementary) or December 6, 2013 (High School). This serves as permit in joining the competition. "No permit, No Entry" policy shall be implemented.
6. The concerned DepEd Division Math Supervisors shall then collate all MMC Form 1 and accomplish the summary of participants (**MMC Form 2**) which indicates the testing centers and the total number of students per grade/year per testing center. The accomplished form must be validated by the DepEd Division Superintendent and be submitted to MTAP on or before **November 11, 2013** through email at mmc_secretariat@yahoo.com.ph or through fax at tel. no. (02) 912-5249 and/or (02) 709-0447. Failure to submit may cause delay in sending the test questionnaires and conduct of the elimination round, which is scheduled on December 5-6,, 2013.

II. ELIMINATION ROUNDS

7. The DepEd Division Math Supervisor shall be in-charge of the preparation, implementation and documentation of the Elimination Rounds competition. He/she will also be responsible for settling all questions, including protests, which may arise in the course of the competition, or a panel of advisers may be formed by the Schools Division Superintendent.
8. The test materials shall be prepared by MTAP and transmitted through the nearest Metrobank branch in the Division. Please see attached list of Metrobank branches vis-à-vis the DepEd Division.

9. In case there is no Metrobank branch in the area, the test materials shall be delivered to the DepEd Division Office/s through the Schools Division Superintendent.
10. The concerned Branch Manager or Schools Division Superintendent shall turnover the questionnaires personally to the Division Math Supervisor on **December 4, 2013** for Elementary and **December 5, 2013** for High School.
11. The Division Math Supervisor shall then turnover the questionnaires to the Testing Center Coordinators on the same date. A certification on top of the package which contains the questionnaires will be signed by the Metrobank Branch Manager, Schools Division Superintendent, the Division Math Supervisor and the Testing Center Coordinator to document the said turnover of test questionnaires.
12. A Division may have one or more testing centers depending on the distance between the schools, the size of the Division and the number of participating schools. It will be feasible to have one center per District for the elementary; for the secondary, a cluster of towns may have one center. A cluster of City Divisions with very few secondary schools may also have just one center.

Example: Suppose Division A has 20 participating schools. Then, there will be 20 x 3 or 60 Grade I pupils to take the test, 60 for Grade II, up to Grade VI or a total of 360 pupils who will take the test in the Center. If those 20 schools are very far from each other, the Division may have more than one center for them.
13. The test materials will be opened publicly by the Testing Center Coordinator just before the start of the competition at **8:00 a.m.** A short opening program may be conducted where the materials will be officially opened. A certification will be signed by the Testing Center Coordinator and selected proctors to document the proceedings.
14. In case the number of questionnaires sent is not enough, photocopying is **NOT ALLOWED**. Only pre-registered participants shall be allowed to take the test. Thus participating schools must ensure that they submitted a photocopy of their MMC Form 1 to their local DepEd Divisions.
15. **The Elimination Round should be held simultaneously in all regions nationwide on November 28-29, 2013 at 8:30 a.m. As agreed upon by the MMC National Steering Committee, conduct of the contest other than this schedule is not allowed.**
16. The test papers will be corrected using the key provided. Please refer to the Guidelines in Checking the Test Papers.
17. The winners of the elimination round should be announced on the date of the competition, then followed by a DepEd Memo to formalize the announcement.
18. In case the results will not be released because of a valid reason (i.e. too many schools joined and the assigned correctors will not be able to finish checking the test papers on time), the Division Math Supervisor should announce the results on or before **December 13, 2013**.
19. The school scores of the whole Division per grade/year shall be ranked from highest to lowest. Please refer to the MMC Document No. 3 (Contest Mechanics) Item no.13 for the guide in computing the total scores for participating schools.

20. The top 6 to 20 highest scoring schools qualify to participate in the **Division Team Finals** competition. The number of teams qualified to join the Division Finals is dependent on the number of participating schools in the elimination rounds. Please refer to matrix below:

Number of Participating Schools	Number of Teams to Qualify in the Division Finals	Number of Participating Schools	Number of Teams to Qualify in the Division Finals
15 or fewer	Top 6	31-35	Top 14
16-20	Top 8	36-40	Top 16
21-25	Top 10	41-45	Top 18
26-30	Top 12	46 or more	Top 20

Note: 20 is the maximum number of teams because experience indicates that it is the most manageable number for an oral team competition.

21. The DepEd Math Supervisor shall submit to MTAP the **MMC Form No. 3** (summary of the number of team which are qualified to join the Division Finals) through email at mmc_secretariat@yahoo.com or through fax at tel. no. (02) 912.5249.
