Re: **Bukidnon Physics Society 2014 Meeting and Conference**

Sir/Madam:

The Bukidnon Physics Society will hold its 9th Meeting and Conference on November 28-29, 2014 at the campus of Central Mindanao University, Musuan Bukidnon. The theme of the conference will be "**The Role of Pedagogical Content Knowledge (PCK) in the Teaching Process**". This meeting and conference is for physics teachers and enthusiasts who are willing to learn new approaches to teaching and learning physics. Also invited are policy makers who are influential in making a difference to the teaching and learning physics to meet challenges for global competitiveness. Physics students are encouraged to join this event.

The objective of the conference is to provide an opportunity for physics teachers in Bukidnon to exchange ideas and share experiences on effective approaches to teaching and learning physics in creating a cooperative and collaborative spirit and environment. The Registration Fee is eight hundred pesos only (P800.00) inclusive of certificates, Olympics materials, lunch and snacks for two days. Students' fee is six hundred pesos (P600.00).

In connection with this, we are inviting your school to participate in this event by sending your physics teacher/s. We assure you that the time and effort of the participants, as well as the monetary support from your office, shall not go to waste in this conference.

We, therefore, look forward to your positive reply on our request and consequently, the coming of your teachers to our campus. Thank you and may God bless you.

Very truly yours,

Teresita D. Taganahan
