Division of Malaybalay

Dear Dr. Oplenaria:

The **Rotary Club of Metro Valencia (RCMV)** proudly announces the holding of its annual **TagisanngGaling at Talino(TGT) Season 9** on 10 January 2016 at the Valencia City Gymnasium, City of Valencia, Bukidnon.

TGT is the unique and exciting inter high school competition that will showcase the intellectual and artistic gifts of the youth of our province. Now on its ninth year, the activity only gets better and bigger with thrilling new twists in the contest rules, challenging mechanics and exciting prizes. Like the previous year, the activity shall still consist three separate competitions namely: **Grand Quiz Championships & Team Painting Competition (which will start at 2:00 PM) and Interpretative Dance (which will begin at 6:00 PM).**

Due to the prestige of the competition, TGT has now become one of the official activities of the Charter Day Celebrations of the City of Valencia, Bukidnon sanctioned and recognized by the LGU of Valencia City.

Our theme for this year's competition is "**Kabataan, Makialam at Manindigan!**" which will underscore our youth's active involvement in the social and political events affecting our nation. Like the previous years, our beneficiary is still the Alternative Learning System (ALS) which gives free education to some one-hundred fifty (150) high school dropouts of the City. The ALS is an ongoing project of our Club together with the DepEd and it has already produced many graduates for the past nine (9) years.

In this connection, we cordially request your good office to officially sanction and recognize the said activity so that the participating students and teachers of the various schools in your Division may be able to request for travel orders, excuse letters and the like and be duly recognized as the official coaches, trainers and participants of this truly wonderful competition. On our end, the club will be issuing Certificates of Attendance and Certificates of Recognitions to all the schools and teachers who actually participated in these competitions. We shall likewise recognize your good office as official partners of TGT.

Please do not hesitate to communicate with us should you have any inquiries and concerns. With you as partner, we are confident that this year's *Tagisan* will not only bring smiles to our province's students, it will also raise funds to our beneficiary and bring hope to our city's drop-outs and out-of-school youths.

Respectfully,

CHE YASSER D. ESTRELLA, D.M.
