Madam,

Greetings of peace and goodwill! May we thank you for always supporting the PDA by being responsive to our previous requests in directing the Schools Division Superintendents to encourage and allow the attendance of the Public Health Dentists in all the Divisions throughout the region to the profession's continuing education activities.

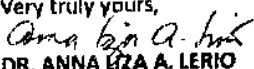

In response to the common issues and concerns that has long been raised by the Public Health Dentists from the different government agencies, the Philippine Dental Association under this current administration would like to inform your good office that all government or public health Dentists are given time to convene in an exclusive Regional Area Conferences and Scientific Meetings on the three areas of the country. For the Public Health Dentists that belong to Regions 9, 10 and 13, this will be on January 20, 2015 at Pearlmont Hotel Cagayan de Oro City from eight o'clock in the morning until five o'clock in the afternoon. A registration fee of Two Hundred Pesos (P 200.00) only shall be collected for every participant to augment expenses for the lunch and snacks. The privilege of hosting the said forum is given to the Department of Education Dentists Association or DEDA affiliate group wherein the Region 10 DEDA members lead by Dr. Rose Edullantes is requested to take charge with the Registration Committee.

In the morning, there will be two relevant topics related to dental practice management and International Caries Detection Analysis Standardization - ICDA5 shall be discussed that will strengthen and improve the inter agency collaboration and partnerships leading to a better approach in response to the dental public health service delivery system. And in the afternoon, invited guests from the Department of Budget and Management - DBM Central Office, PRC and PHILHEALTH will give these Public Health Dentists enlightenment and clarity with regard to their queries, issues and concerns.

On this regard, the PDA would again humbly solicit your support and cooperation to please issue a regional advisory and directive to all the Division Superintendents throughout the region and allow the attendance of these Division/School Dentists to the said conference on Official Business giving due consideration to this yuletide season.

With our high hopes and fervent prayer, may this favor be given your approval and immediate action. Due to time constraint and for a faster and wider dissemination, may I further request your good office to please send us a copy of your document through DepED Surigao City FAX NUMBERS: (086) 826-3075 and call/text the following contact persons Dr. Anna Liza A.
