Guiding Filipino People To Transformation | VFSTCI, Camp Crame, Quezon City

There is a need for moral renewal in order to eradicate the social ills that have plagued us for the past several decades, such as graft and corruption, patronage politics, apathy, passivity, mendicancy, factionalism, and lack of patriotism.

To be more effective and continually reaching our aims, we wish to extend and continue our advocacy in the Division of Valencia City, Bukidnon and in the province of Misamis Oriental, thus we are appealing for your support in your area of responsibility through **recognition** or **acceptation** of our advocacy. With your indulgence, might it be possible for you to share with us in our mission and vision that our country be politically upright, morally Christ-centered and spiritually transformed.

That you can share with us in moral recovery, values formation and spiritual transformation, we seek your **endorsement** and **Approval** for us to continue to conduct these seminars in schools.

Your cooperation will contribute to the achievement of the purpose and goal of the national Government in eradicating the culture of graft and corruption, patronage politics, apathy, passivity, mendicancy, factionalism, and lack of patriotism and replacing the same with honest public service and morally upright students and citizens.

We enclose our approval letters from your Division Superintendents, **INGRID G. RACOMA**, **EDLIBERTO L. OPLENARIA**, and **JESNAR DEMAS S. TORRES** and our PNP accreditation.

Thank you so much as we look forward to a moment of chat with you on this regard.

Sincerely Yours,
