Dear Atty. Chatto:

We are pleased to announce that the Technology Application and Promotion Institute (TAPI) the DOST Region X, in partnership with the Northern Mindanao Consortium for Industry Energy Research and Development (NorMinCIERD) will be holding the **2015 Regional Invention Contests and Exhibits (RICE 2015)** on August 21–23, 2015 at the Event Center, 2nd Level Limketkai Mall, Cagayan de Oro City.

With the theme ***“Philippines: A Science Nation Innovating and Inventing for Global Competitiveness”***, RICE 2015 aims to showcase the latest inventions and researches in Philippines and select qualifiers for the following categories:

- Outstanding Invention (Tuklas Award)
- Outstanding Utility Model
- Outstanding Industrial Design
- Outstanding Creative Research (Likha Award), and
- Outstanding Student Creative Research (Sibol Award) for High School & College Students

Pursuant to Republic Act No. 7459 known as the ***“Inventors and Inventions Incentives Act of the Philippines”***, this competition is designed to encourage both public and private inventors and researchers including the students to use their inventive capability by competing for cash rewards and recognition both locally and internationally.

In view of this, we humbly request the Department of Education – Regional Office No. X to endorse the aforementioned regional invention contest to all **public and private secondary education institutions** in Northern Mindanao so as to elicit maximum support and participation particularly in the **Outstanding Student Creative Research** category for High School students.

Thank you very much and we shall be looking forward to DepEd's endorsement of RICE 2015.

Very truly yours,
