SIR:

Bukidnon State University, as a Teacher Education Institution, is currently updating its graduates' profile. The data that you can give us will enable us to apply for Center of Excellence in Teacher Education in our continuous quest of producing competent teachers that would serve the region.

As a requirement for this application, BSU needs a Profile of teachers who graduated from BSU serving your division in both Elementary and Secondary levels from 2012 to present. It is pertaining to this requirement that we humbly ask for your assistance.

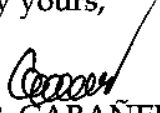

We would like to further request, if possible, that the data be available on or before May 11, 2015.

Attached is the template for the needed data for the Profile.

We ardently hope that this request merits your favorable consideration.

Thank you very much.

Very truly yours,

OSCAR B. CABAÑELEZ, Ph.D.
