SUBJECT: SEAMEO VOCTECH Regional Training Program

DATE: 17 May 2016

The SEAMEO VOCTECH will be conducting a two-week course on "Conducting an Impact Study to Enhance the Effectiveness of Educational Interventions" on 6 to 18 August 2016 at Brunei Darussalam. This program aims to provide the participants with knowledge and skills in developing competency standards which will serve as guide in the development of curricular programs for Technical and Vocational Education and Training (TVET).

One (1) slot for full scholarship is available subject to the following criteria:

1. School heads, supervisors, teachers/instructors, administrators, or curriculum development facilitators who have responsibilities for evaluating the implementation of projects or interventions;
2. Applicants with a good command in spoken and written English;
3. Applicants with adequate knowledge in using computer and the internet;
4. Applicants who are 55 years old or below; and,
5. Applicants who are physically and medically fit to travel.

The chosen applicant will receive a full scholarship inclusive of training fee, training kits, airfare, airport courtesies; accommodation, meals (AM & PM snacks and lunch), allowance/per diem, travel insurance, accidental insurance, and other social support services.

The program is likewise open to other interested applicants for US\$ 2,000.00 (exclusive of training fee, airfare, allowance/per diem and travel insurance) subject to the same criteria on a first-come, first-served basis.
