RELEASE

Region Advisory No. 22, s. 2017

This Advisory is issued for the information of SDOs as regards to the Conduct of Lectures on the Ill Effects of Illegal Drugs to Schools in the Region
(Visit depedreg10.net)
February 7, 2017

Attention : **Schools Division Superintendents**

The Philippine Drug Enforcement Agency (PDEA), through the Preventive Education and Community Involvement Service (PECIS) is continuously undertaking efforts to conduct lectures to all high school students in our region on the salient provisions of Republic Act 9165 and the ill effects of illegal drugs.

This Office continues to support these activities and strongly encourages that the testimonies of the advocacy campaign on illegal drugs be not limited to former drug addicts.

For information and guidance.

Regional Director
Department of Education, Regional Office 10
Cagayan de Oro City

Dear Sir,

Greetings!

The Philippine Drug Enforcement Agency (PDEA), through the Preventive Education and Community Involvement Service (PECIS), is continuously undertaking efforts to reach various sectors of the society to participate in our illegal drug campaign.

Relative to this, we would like to request that you allow us to conduct lectures to all high school students in your schools on the Ill Effects of Illegal Drugs and Salient Provisions of RA 9165. We want them to comprehend that any involvement in illegal drug activities could ruin their chance for a good future. We want them to make an intelligent choice, founded on a personal conviction, to stay away from drugs in preparation for better opportunities that life has to offer.

In this regard, we would be grateful if you could accommodate us in one of your schools preferably with a big venue for us to conduct our lectures.

Should you have any queries on this request, please feel free to contact us at our hotline number 09173015553 and look for Ms. Rosemarie Bajao- PECE Officer, PDEA 10.

Thank you and more power.

Respectfully Yours,

DIR. ILADRIAN G. ALVARIÑO, MDM, CESE
Regional Director-PDEA 10
