CASIGANG MALAYBALAY CITY

Dear Sir/ Madam:

In behalf of the Computer Society of Bukidnon State University, I am extremely sorry to inform you that the Bukidnon Information Technology Summit (BITS) which is scheduled on February 23, 2017 has been canceled due to unavoidable circumstances.

I know that many of you have already prepared and planned out and we had to cancel our occasion. We had never anticipated the lapses in communication. It was our fault for not preparing for this kind of a problem. Anyhow, we have learned our lesson and we will be more prepared in the future.

I regret any inconvenience this may cause you and your school, even though we have tried our best to inform you all as soon as possible. It is set that the BITS would be held on **March 29, 2017**.

Until then I apologize for all inconvenience that you have faced and we look forward to seeing you next month.

Respectfully yours,
