Dear Mr. Allan G. Farnazo, Ph.D., CESO V

Greetings!

This is **Joseph Tesoro**, National Coordinator, of the **Live Pure Movement**. Live Pure is a pro-life movement that promotes and defends the culture of life. Through our pastoral formation programs, we seek to enable young men and women to stand up and to live out the cause of Purity and Chastity, in light of the challenges of this time to live otherwise. I am writing this letter to you for the purpose of offering our programs for the formation of your students.

Live Pure has a series of three activities that are complementary to one another, and these are as follows:

ACTIVITY	DESCRIPTION
Chastity Forum	Discusses human sexuality and how our sexuality works perfectly with God's plan. Promotes the true value of sex and encourages young men and women to be chaste.
Men's and Women's Forum (given simultaneously in 2 separate places)	Builds true brotherhood and sisterhood. Guides young people how to become men and women after God's own heart.
Love Forum	Debunks misconceptions about love. Reinforces the value of true love and the importance of waiting for God's perfect time.

The activities above can be conducted in one morning/afternoon including an open forum discussion immediately after the session or we can give it in accordance to the schedule of your campus/parish activities.

We, the Live Pure Movement, believe that young people need to hear the good news of Purity and Chastity, as these are virtues necessary for every young man and woman to live life to the fullest.

Should you wish to get in touch with us and to know more about the programs we offer, feel free to contact **Anita N. Bayla** through the following contact numbers: **09213350992 / 09359647010**.

Dear Bishop Tony,

There is uncertainty in our world today. An overwhelming tsunami of evil surrounds us... wars, famine, massacre of the unborn, destruction of the family and even assault on religious freedom. Our youth is at their most vulnerable today and it is this context that we would like to introduce to you the Live Pure Movement.

Live Pure is a movement of the young that promotes and defends the culture of LIFE, it is a Catholic pro-life youth movement committed to lead young people to a life of Chastity, a life of Real Freedom, True Love and Total Happiness. It is our mission to bring the cause of Live Pure to different parishes, high schools, colleges, universities and institutions through our different formations, sessions, workshops and events.

We prayerfully ask for your permission to conduct Live Pure Forums for parish youth at the vicariate level. Attached for your further perusal is our brochure. For further inquiries, I may be reached thru mobile: 0917-3194985.

Thank you very much. We pray that our loving and merciful God continue to keep you under His love and care and use you as His instrument this year and beyond. With warm wishes and sincere prayers for your well-being, we remain,

Sincerely yours in Christ,

## LIVE PURE IN THE NEW MILLENNIUM

Ushering into the new millennium, today's society has become more and more tolerant of liberal ideas. Beliefs on sex, relationships, and purity have been gravely distorted by media, creating a consciousness that is, in many ways, void of true Christian value. With the surge of Western ideas permeating our youth pop culture, by way of the digital age, it suddenly became widely accepted among young people to rush into all sorts of intimacy with the opposite sex without having to consider the consequences of their actions. Media has portrayed pre-marital sex as liberating, fulfilling and downright pleasurable. Unknowingly, this mindset debases the true value of sex and promotes a sexually promiscuous lifestyle.

Whether we remain oblivious to the facts or not, values are being corrupted in almost every institution (family, school, friends etc.) we are a part of. The foundations of morality are becoming loose every single day. Statistics will reveal to you staggering rates of teen pregnancies, abortion and sexually transmitted diseases (STDs) even in a Catholic country like the Philippines.

With all these things happening around us, we cannot just sit around and choose to be passive or silent. We cannot lose young people to the false promises of the world. It is our mission to challenge this twisted mindset no matter how daunting the current realities are. We have to make known to everyone God's view and true purpose for love and sexuality.

In a world which continues to promote hedonistic lifestyles (YOLO, promiscuity, drugs etc.) as the answer to man's deepest longings, we are all called to Live Pure – to live a life which embraces chastity as the sure way to happiness. This calling goes beyond our membership to any religious or charismatic community, for it is inherent to us being sons and daughters of God. To live a pure lifestyle is our way to attaining the life God desires and dreams for us – a life of real freedom, true love and total happiness.

## THE LIVE PURE MOVEMENT

Live Pure is a movement of the young that promotes and defends the culture of life. This is not just a passing advocacy defined by the signs of the times, but rather, to Live Pure is our identity. Our passion to Live Pure is the root of who we are and what we do. We breathe, we move, we think and we exist to Live Pure!

**VISION:** We are a Catholic pro-life movement committed to a life of purity, leading young men and women in pursuit of life's true meaning according to their destiny in Christ.

**MISSION:** We are pro-life advocates striving for purity of mind, eyes, speech and body. We commit to share our conviction by giving young people opportunities to realize and live out the value of human dignity and fraternal relationships.

### This program has the following specific objectives at hand:

- To promote a Live Pure lifestyle among the youth today.
- To bring the cause of Live Pure to Parishes, High Schools, Colleges and Universities through Live Pure formation sessions, workshops and events.
- To start a world-wide movement enjoining young men and women standing and living up for the cause of chastity and purity

## THE LIVE PURE COVENANT

I am created in God's image and likeness; hence, I will live out His greatness and holiness by striving to imitate Christ and His purity.

I commit to practice the virtue of chastity and observe self-control over my passions and desires.

**I WILL FREE MY MIND.** I will keep my mind clean from impure and lustful thoughts. I will keep my eyes away from pornography, as it degrades me.

**I WILL SPEAK WITH GRACE.** My speech will be gracious at all times. I will not tell or laugh at green jokes, nor share and listen to stories which evoke sexual thoughts and behavior.

**I WILL BE CHASTE.** I will treat my body for what it truly is – the temple of the Holy Spirit. I will not engage in masturbation, fornication or homosexual acts.

**I WILL LOVE TRULY.** I will become a man/ woman after God's own heart, that I may learn to love purely. I will make a gift of myself in whichever vocation God will call me to. I will keep my relationships pure.

I am called to lead a chaste life – whoever I am, whatever I do, whatever they say and wherever I may be.

## LIVE PURE FORMATION

**PHASE 1:** This presents the basic formation track offered by the Live Pure Movement. Ideally, the sessions are given altogether as the content builds on one another. However, in cases wherein this is not possible, the school/parish/institution can choose to go through any of the sessions for their group whichever is applicable.

### Chastity Forum

The Chastity forum is the first stage of the Live Pure series as it is important to discuss human sexuality first before delving into the issues of today's youth. As one understands his/her uniqueness as a man/woman, he/she would gain deeper knowledge and wisdom on how our sexuality works perfectly with God's plan.

This forum would equip them with the right information about teen sexuality that focuses on being pure and chaste before God's eyes. This is the aim of the said forum – to promote saved sex (sex according to God's design and purpose) rather than safe sex.

As statistics indicate, we are now living in a sex-crazed environment. Therefore, it is necessary that all young people, in the form of teaching and formation, be educated on the truth on human sexuality. It is important to promote the direction of chastity and purity, while training young minds altogether on pertinent sex issues of today.

### Men's and Women's Forum

What we dream to build among young people everywhere is genuine brotherhood and sisterhood. We want to foster a system of deep friendships anchored on loyalty, accountability, and mutual respect.

To achieve this, we have the "Real Men, Guard Your Heart" and "Princess Diaries" sessions. These aim to guide the young how to be men and women after God's own heart in a world which bombards them of ideas on who they should aspire to be. It is important to discuss separately issues which are unique to being a man and a woman so that they can realize their sense of being a gift to each other.

### Love Forum

In this session, we aim to inform young men and women about the misconceptions on love as promoted by the world today; and that no matter what media says, true love exists. It is important for young people to realize that regardless of what they have been through in their life, they are always capable of giving and receiving authentic love.

*Having undergone all three stages of the Live Pure Formation Program, we hope to equip and guide young men and women everywhere in their journey to live pure for God. After all, no one is too young in the eyes of God to think pure, to be pure, and to live pure.*

### Live Pure Parents Forum

In this forum, we aim to make parents embrace their basic role as the first educators of their children. A lot of misconceptions about love and sex are learned from peers and it is significant to reinforce the positive influence the family has in inculcating the right values. The parents are challenged to end the silence and awkwardness of talking to their children about love, sex and relationships. More so, the forum will help the parents understand the youth of today followed by a practical discussion on how to educate their children about love and sex through the virtue of chastity will be focused.

It is encouraged that an open forum be facilitated by the live pure service team where parents can freely share and discuss their difficulties, victories and best practices in rearing their children. At the end of the session, all parents will be prayed over as the Holy Spirit empowers them to connect and educate their young.
