**I. General Guidelines in the 2017 Division Festival of Talents in Technolympics and DepEdnomics:**

1. There are twelve (12) skills to be contested in the Technolympics and Nine (9) in DepEdnomics excluding Division Initiated Competitions.
2. Contests are designed for elementary, ALS, junior and senior high schools provided with the skills guidelines, criteria and procedures. Private schools are welcome and encouraged to participate.
3. All contest materials and tools/equipment shall be provided by the contestant. Borrowing of tools, equipment and contest materials during the contest is not allowed.
4. All contestants shall be at the contest venue 15 minutes before the start of the contest.
5. Contestant's credible records/documents are the responsibility of the coach and the school heads.
6. Only the Division First place winner that will represent the regional skills contest shall prepare documents.
7. Preferably the EPP/TLE/TVL teacher shall be the coach for the skills contest. However, non-TLE/TVL teacher from small schools may coach at the division level search. In case the contestant wins, the TLE/TVL teacher from the same school shall take over the coach at the regional level skills competition.
8. Contest administrators shall ensure the smooth conduct of the contest assigned to them. The contestants shall be oriented properly rather than the coaches.
9. The coach shall not be staying at the contest venue especially when the contest is in progress.
10. The board of judges will be from line agencies and expert teachers from the elementary schools. Their decisions will be final.
11. The contest package for every contest in technolympics skills competition is based on the 2017 National Technolympics contest package. The rest of the contests that are not found in the Memorandum shall be referred to the Education Program Supervisor in EPP/TLE/TVL.
12. Wearing of school uniform is allowed during the contest. However, if the contestant can afford to wear Maong Pants with Plain White T-Shirt with no school Identifying marks is more appreciated.
13. In determining the over-all champions, the points system (10-7-5-3 & 20 shall be computed for 1<sup>st</sup> up to 5<sup>th</sup> place. Non-winning school with participation will automatically be given with one (1) point.
14. There shall be three (3) winners for each skill contest. Only the first place winner in the technolympics (except division initiated) will represent this division to the regional level skills competition.
15. In case of first place winner/s from the private school/s, they should participate to the higher competitions.
16. Winning contestants will receive medals, coaches will receive certificates and Trophies for the over-all results.
17. No questions shall be entertained during the contest proper except clarifications and point of order. All clarifications and points of order shall be raised with the event administrator.
18. The working area should be cleaned immediately after every event.
19. All results and outputs shall be endorsed to the Secretariat by the event administrator.
20. All endorsed outputs shall be displayed throughout the duration of the event.
