THRU: MRS. JOSIE ZAMORA
 Education Program Supervisor
 Student Teaching Coordinator

Dear Dr. Oplenaria,

Good day!

Our fourth year education students are now undertaking practice teaching an important component in the Teacher Education Program. They will be assigned to various DepEd Schools in your Division for experiential learning on how would be a teacher. They will be deployed to the following schools namely:

- Secondary Schools
- Bangcud National High School
- Bukidnon National High School
- Malaybalay City National Science High School

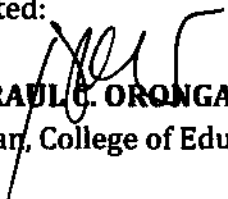

In view of this, we would like to ask permission to allow the practice teaching students to have off-campus in their most preferred schools in your division from January 23 to March 23 2018. The off-campus is a preliminary exposure in the internship course since the school calendar of the university is not parallel with the DepEd calendar. The in-campus will be taken in the University Laboratory High School after the off-campus period. We hope that the cooperating schools and teachers will extend a little patience in guiding and mentoring our junior teachers. It is hoped too that this undertaking will ensure better preparation and deep appreciation of the profession.

We anticipate for your favourable response on this matter. Thank you and God bless.

Very truly yours,

GLADYS SAHAGUN-ESCARLOS
 Student teaching Supervisor
