REGION MEMORANDUM
No. 122, s. 2018

**REITERATING THE POLICY ON THE CONDUCT
OF END-OF-SCHOOL-YEAR RITES**

To: **Schools Division Superintendents**
Assistant Schools Division Superintendents
Public and Private Elementary and Secondary School Heads
All Others Concerned
This Region

1. This Office reiterates the policies on the conduct of End-of-School-Year Rites as disseminated in DepEd Order No. 8, s. 2017, to wit:

Grade/Level	Ceremony	Proof of Completion
Grade 6 learners who will complete elementary education	Graduation	Elementary Certificate (Enclosure No. 1)
Grade 10 learners who will complete Junior High School	Moving Up or Completion	Junior High School Certificate (Enclosure No. 2)
Grade 12 (Senior High School)	Graduation	High School Diploma (Enclosure No.3)

2. In line with the government's austerity program, the following shall be observed in the conduct of the aforementioned activities:

- a. Graduation for Elementary and SHS and Moving-Up Ceremony should be simple but meaningful to encourage civil rights; sense of community, and personal responsibility. While these rites mark a milestone in the life of the learners, they should be conducted without excessive spending, such as extravagant attire or costly venue, and the like;
- b. If there are any collections, it should be agreed by the Parents Teachers Assembly (PTA) and managed by the officers of the parents of the graduating class.
- c. Parents, not the teachers, may decide on the graduation or moving-up ceremony attire, that is, teachers should not be part of the committee that will decide on the said attire.
- d. No graduation fee for administrative cost should be collected. Medals should be borne by the school and charged to the school MOOE.
- e. No non-academic projects should be required in exchange for graduation or academic completion.

- f. The completers and graduates should be the highlight of the ceremony.
 - g. Teachers and other DepEd personnel should be in *Barong/Filipiniana*.
 - h. No Year Book Policy should be observed per Regional Memorandum No. 55, s. 2016.
 - i. A unified program for the Moving-Up and Graduation Ceremonies is found in the enclosure;
 - j. Medals from sponsors, politicians, and other non-curricular awards should be given during the Recognition Ceremony. Awards to be given during the Graduation Ceremony should only be academic awards;
 - k. Purchase of commercialized medals is strictly discouraged. Instead, medals made by the SHS learners should be patronized.
 - l. Graduation exercises should showcase the capability of the SHS learners; hence, decorations and food preparations, if any, should serve as laboratory of the SHS learners. Elementary schools should tap the services of nearby SHSs.
 - m. If there are any collections, the parents' association should take the responsibility and should provide a hard copy of the financial statements for distribution during the graduation day.
3. Further, the Graduation Rites and Moving-Up Ceremony should be conducted with utmost professionalism and integrity devoid of any political activities.
 4. Provided that austerity measures are strictly observed, private schools may have the option to follow or modify the provisions of this policy.
 5. For dissemination and strict compliance.
