Dear Sir Baguio:

Blessings!

We would like to inform you that the BSWM-National Soil and Water Resources Research and Development Center for Highland Pedo-Ecological Zone in Malaybalay City, Bukidnon will conduct a Training: "**Capacity Building on the Enhancement of Soil and Water Conservation Technologies on the Production of Vegetables in the Highlands**" on June 28-29, 2018 at BSWM-NSWRRDC-HPEZ Learning Hub, Dalwangan, Malaybalay City, Bukidnon. Our proposed participants for this activity are **thirty (30)** teacher/coordinators of "*Gulayan sa Paaralan*" from all the schools of Malaybalay City, Bukidnon.

In this connection, we would like to ask for your assistance on determining the possible teachers/coordinators who can attend the said training and who are interested in organic farming and in producing organic fertilizer while adopting soil and water conservation technologies advocated by BSWM.

Also, we would like to invite you or your representative to deliver an inspirational message to our participants during the said activity.

Hoping for your positive response on this matter as we build partnership in the common goal of alleviating the lives of the people in the Province of Bukidnon through improved agricultural production techniques and best practices.

For inquiries about this activity, you may call Ms. Sharon S. Cachopero at Mobile No. 09562354155 or visit us at the Bureau of Soils and Water Management-National Soil and Water Resources Research and Development Center for Highland Pedo-Ecological Zone, Dalwangan, Malaybalay City, Bukidnon.

Thank you very much and More Power.

Sincerely,
