DR. REBONFAMIL R. BAGUO, CESO VI
 School Division Superintendent
 Department of Education
 Division of Malaybalay City
 Sayre Highway, Casisang, Malaybalay City

Dear Superintendent Baguo,

Greetings!

The Department of Health – Infectious Disease Cluster is funding or supporting the Department of Education – Division of Malaybalay in the conduct of the Harmonized Schedule and Combined Mass Drug Administration (HSCMDA) Round 2 Coordination Meeting on August 17, 2018 in Lolza's Pavilion, Casisang, Malaybalay City. This is in response to the action plan submitted during the HSCMDA / School Based Immunization (SBI) Planning Workshop held last June 2018.

In line with this, may we request Ms. Nancy Dequito and your Dep Ed nurses to facilitate conduct and invitation of School Heads on the above mentioned activity.

Meals and snacks shall be shouldered by the DOH Regional Office X CHD-NM.

For more queries please contact Dr. Josephine L. Baldo, 09173271558, Ms. Rachel D. Escatron, 09063341088, and Donald John Baul, 09054195671 of the Vector Borne Diseases Section of DOH ROX.

Very truly yours,

NMM/B. TORRIZO, MD, MPH

RELEASE

REGION MEMORANDUM

No. 10744, s. 2018

**IMPLEMENTATION OF NATIONAL SCHOOL DEWORMING MONTH
(NSDM) FOR SY 2018-2019**

To: **Schools Division Superintendents**
Division School Health Personnel
Public Schools District Supervisors
Public and Private Elementary and Secondary School Heads
This Region

1. The Department of Education Health and Nutrition Unit, through the School Health Section, DSWD 4Ps link, DILG, and the implementing units of the Provincial, City, and Municipal LGU - Health Offices, will celebrate the National School Deworming Month (NSDM) and will conduct deworming activities come July 2018. The celebration is pursuant to DOH Memorandum No. 2016-0212 and Department of Education Memorandum No. 80, s 2015.
2. As per advice from DOH Central Office, the challenges and issues in the procurement of deworming drugs have resulted to delayed distribution of Albendazole and Praziquantel for Mass Drug Administration for Soil Transmitted Helminthiasis (STH) and Schistosomiasis (SCH) respectively in July 2018.
3. To ensure uninterrupted treatment in STH, all divisions are requested to use all available or remaining stocks of Albendazole or Mebendazole and prioritize the beneficiaries of School-Based Feeding Program. Delivery of stocks will be directed to the DepEd divisions coming from the DOH or from LGU to the schools in cases of borrowed supply.
4. Since the Joint Memorandum of Understanding (MOU) is still in process at the national level, the administration of Diethyl Carbamazine Citrate for Filariasis in the Divisions of Lanao del Norte and Iligan City and Praziquantel for Schistosomiasis endemic areas in the Divisions of Bukidnon, Lanao del Norte, and Misamis Occidental shall be conducted separately with an interval of at least one week from the period of giving either of the two drugs by the LGU-Health Personnel.

5. To facilitate the successful implementation of the program, school heads, school health personnel, and teachers of both public and private schools must ensure that all deworming activities observe a strict compliance with the parents' permit.

6. Attached is a letter from Nimfa B. Torrizo, MD, MPH, regional director, DOH-ROX, for reference.

7. Division Consolidated and Adverse Event Report shall be submitted in hard copy to the ESSD-HNU of Regional Office X while softcopy shall be emailed to hnesad_depedregionx@yahoo.com for consolidation and submission to DepEd Central Office and DOH ROX.

8. Immediate and wide dissemination of this Memorandum is desired.

RELEASED
From Records Section
No. 400-1036
Date: 7/3

Attention: Dr. Noe Simena
Chief SGOD

Dear Director Farmazo,

Warm greetings!

The National School Deworming Month will once again be conducted this July 2018 in collaboration with the Department of Education Health and Nutrition Unit, DSWD 4Ps Units, DILG and the implementing units of the Provincial, City and Municipal LGU-Health Offices pursuant to Department of Health Memorandum No. 2018-0212 and Department of Education Memorandum No. 80s. 2015.

Please be informed as per advice from the Central Office that there will be a delay in the distribution of Albendazole and Praziquantel drugs for the Deworming or Mass Drug Administration (MDA) for Soil Transmitted Helminthiasis (STH) and Schistosomiasis (SCH) respectively in July 2018 round. This was due to the challenges and issues in the procurement of the said drugs.

In the meantime, to ensure the uninterrupted treatment in STH and SCH cases, we would like to request all Divisions to use all available or remaining stocks of Albendazole or Mebendazole and Praziquantel for the MDA for STH and SCH this July 2018, prioritizing the beneficiaries of Feeding Program as per agreement during June 20-21, 2018 HSCMDA and SBI Meeting and Planning Workshop conducted in Pearlman Hotel, Cagayan de Oro City. We will also request the LGUs to let the Schools borrow their stocks of deworming drugs. In addition, deworming drugs will be directly delivered from the DOH Central Office to the Dep Ed Divisions.

On the other hand, the stocks of Diethyl Carbamazine Citrate and Albendazole for Filariasis MDA is sufficient in Lanao del Norte and Iligan City Division.

Moreover, while awaiting the issuance of Joint MOU, may we request for the implementation of combination of mass drug administration of DEC and Albendazole for Filariasis, in Iligan City and Lanao del Norte and also combination of mass drug administration of Praziquantel and Albendazole/ Mebendazole for Schistosomiasis endemic areas such as Buldonon, Lanao del Norte and Misamis Occidental, or separately with an interval of at least 1 week from the period of giving of either of the two drugs.

Lastly, may we ask a copy of the enrollment per division covering the school year 2018-2019 and kindly send to doh10.ybd@gmail.com.

For clarifications, please contact Dr. Josephine L. Itallo 09064465302/ Perte N. Sanchez - 09177184756/ Ma. Rachel D. Escatron 09381684477 of the Vector Borne Disease Section of DOH ROX.

Thank you for your continued support in these collaborative endeavours. God bless us all!

Very truly yours,

NREIDA L. FERNANDEZ, MD, MPH
Director IV
