Sir:

Greetings!

The 2030 Project is the premier non-profit, youth-led and volunteer-based sustainable goals initiative in the Philippines composed of youth leaders from all over the country. It aims to create network of youth leaders and youth-led organizations that develop advocacies and projects aligned with the **United Nation's 17 Sustainable Development Goals (SDGs) Agenda by 2030** with the mission to train the undeserved and unserved Filipino youth in creating sustainable solutions in their own communities.

One of the flagships and renowned project of The 2030 Project is the **Leaders Unite**, a one-day summit which aims to create awareness about the 17 SDGGs, to craft sustainable inclusive community based projects, and to build an active community of Filipino youth leaders who will collaborate towards the attainment of the Sustainable Development Agenda by 2030. The summit will feature 17 exceptional youth leaders who sustainably create an impact in their communities with their advocacies and prominent thought leaders across different sectors. Following its two consecutive successful years, we are proud to launch its 3rd year entitled **Leaders Unite 2018: #LeggoPh** with the theme "**Partnering for change, Build a Sustainable Future**".

In line with this, the organization would like to invite your different organizations as one of the **Leaders Unite-Mindanao's Island partners**. Inspired by the idea of #LeggoPh which is from the concept of LEGO, wherein you put together the LEGO blocks to create something more valuable than what they were separated pieces, we believe that our partnership paves way to creating synergies in empowering the youth to create meaningful change and build a sustainable future.

Attached herewith are the organization's information, previous project, and sponsorship suggestion.

For confirmation and queries you may contact 09974507153. We are hoping to receive an update regarding to the invitation on or before September 14, 2018.

We are anticipating for your favorable response to this matter.

Date: Sept. 16, 2018
 Venue: Folk Arts Theater

Very truly yours,

RODNEY M. SARILLA
 Local Youth Development Officer
